"GOLD and DROSS"

These words are placed at the head of the investment section of one of Canada's most popular weeklies. The department is a catalogue of successes and failures.

These notes and comments show that the most astute investors may fail. The beneficiary under a life policy, unskilled in handling funds will therefore be in great danger of forfeiting the proceeds.

Mutual Life Continuous Instalment policies do away entirely with the investment problem. They automatically become at the death of the assured, gilt-edged securities—no "dross" all "gold."
