**Successful Farmers Use FREEMAN'S High Grade Bone Fertilizers**

They produce large crops of wheat of superior quality. Try our Fertilizer for FALL WHEAT, which is especially manufactured for that class of crops. Terms easy. Prices low.

Having used your Sure Growth Fertilizer for the past three seasons, it is with pleasure I recommend its use to others. I commenced with one ton the first season, and two years ago purchased from you two tons, and last season two and one-half tons. Always use it on fall wheat at the rate of about 200 pounds per acre, and am fully convinced I had at least one-third larger yield and finer sample than where no Fertilizer was used. Thanking you for your prompt delivery, I remain,

**A MAN CAN LIVE WITHOUT AIR**

Almost as easily as a wire fence can without ELASTICITY. If the man was confined in an air tight room, he would linger along for awhile, just as a fence does, supported by the trifling amount of elasticity in soft wire. Then a stimulant applied with a wrench to the end ratchets enables it to give a few more gasps before the final collapse. Our COILED STEEL WIRE is armed so strong with ELASTICITY, its life is one continual SPRING, and to its owner "December's as pleasant as May."
