Awards.
THE Spramotor Co. desire to caution intending purchasers of spraying apparatus against the misrepresentations of a certain concern in Canada who claim to have won a contest against the Spramotor in Manchester, England, and St. Petersburg, Russia, when no such contests took place. The only contest ever held was under the auspices of the Board of Control of the Fruit Experimental Stations of Ontario, which was held at Grimsby, April 1st and 2nd, 1897, at which the Spramotor was awarded first place against the best America could produce.
THE SPRAMOTOR CO. will forfeit \$100 to the Red Cross Fund if a superior award has been granted to any spraying machine other than the Spramotor, anywhere in the world where the Spramotor was exhibited.
Over 100 medals and first awards have been granted the Spramotor since 1895.
Used by the San Jose Scale Commission, Ontario Government, during the winter of 1899 and 1900.
Certificate of Official Award.

This is to certify that at the contest of Spraying Apparatus held at Grimsby under the auspices of the Board of Control of the Fruit Experimental Stations of Ontario, in which there were eleven contestants, the Spramotor, made by the Spramotor Co., of London, Ont., was awarded first place.
