MONTREAL.**Mercantile Summary.**COLLECTIONS at the Victoria office of Inland
Revenue for the month of June were \$9,516.VANCOUVER'S Customs revenue for last month
was \$7,407, and the inland revenue \$1,315.A CHARTER has been received from Ottawa
for the formation of a Board of Trade for St.
Mary's.CUSTOMER—"Say, Rothstein, who's that
man doing all that yelling and screaming and
swearing at the clerks in the rear of the store?"
Rothstein—"Oh, dot vos Rosenberg, der silent
pardner."—Puck.THE "City of Paris" on her first trip to
New York consumed an average of 285 tons of
coal per day. On the day when she scored
498 knots it is probable that at least 300 tons
of coal were burned.THE American Institute of Homœopathy
has declared itself opposed to all preparations
known as "bitters" and "tonics" in which
alcohol is the chief ingredient, and denounced
what is known as the "whisky cure" for con-
sumption or any disease, except, perhaps,
"snake bite."FROM a dainty little rough-edged book we
gather that some hundreds of the principal
shop-keepers of the United Kingdom are in
the habit of accepting the cheques of the
Cheque Bank, limited. This is not at all sur-
prising. Tradespeople were never, to our
hearing, known to refuse a cheque when offer-
ed them.NEARLY all the toothpick mills in Maine are
now closed, in consequence of the over-produc-
tion and accumulated stocks which won't sell
even at the present low prices. The original
and largest maker in Oxford county says that
he now wholesales his goods for less than one-
twelfth of their cost when he began manufac-
turing in 1881.
