FOR PURIFYING THE BLOOD. A LTHOUGH &crofula, Cutaneous, and Scorbutic emptions, proceeding from an impure state of the blood, are generally inherited, yet it is possible for those born with a perfectly sound constitution to become Scrofulous from living upon improper diet, exposing themselves to mephitic gases, or malaria; or from inactive digestion, all of which impaairs the vitality of the blood, rendering it thickned and inflamed, until eruptions break out upon the body. In this extgency nothing is so efficacious as &ANDS SARSAPHILLA to purify the blood, promote a healthy circulation, strengthea the functional organs of the stomach and effect a radical cure.
