The October term of the Supreme Court com-menced its sittings at Picton on the 16th inst, Chief Justice Young presiding. There was only charged with shooting a horse; but there was any increase for trial,—that of a most ten minute, the discussion of the source of the

side of the lake, he had no further use of saddle horses. Dr. Kirwin, the owner of them, think-ing that the Gothamites would be anxious to obtain animals ridden on by a Prince of roym blood, took the entire lot to New York, and sold them by auction on Monday last. The first lot was "Lady Franklin," a brown mare, fifteen hads and one and a half inches, which was ridden by the Prince all through the Canadian for §625. "Fanny Whitten," a charger, also ridden by the Prince, was sold for \$550. "La Belle," ridden by one of the royal suit, brought

HOLLOWAY'S OINTMENT. Bad Legs, Bad Breasts, Sores and

Ulcers

Ulcers All description of sores are remediable by the proper and diligent use of this inestimable prepa-ration. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin antie, a bogy diseased condition remains underneath to break out with tenfold fu-ry in a few days. The only rational and success-ful treatment, as indicated by nature, is to reduce the inflammation in and about the wound and to soothe the neighboring parts by rubbing in pleuty of the Ointment as salt is forced into meat.

Diptheria, Ulcerated Sore Throat Scarlet and other Fevers

Any of the above diseases may be cared by Any of the above discenses may be cared by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediat relief. Medi-cine taken by the mouth must operate upon the whole system are its influence can be fe't in any local part, whereas the Ointment will do its work at conc. at once, Whoever tries the unguent in the most-manner for the diseases named, or any similar dis-orders affecting the chest and throat, will find them-

Piles, Fistulas, Strictures,

The above class of complaints will be removed The above class of complaints will be removed by nightly tomenting the parts with warm water and then by most effectually rubbing in the Oint-ment. Persons suffering from these diteful com-plaints should loose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a dex.

some considerable time two or three times a day Boots, Grain, Lace and doudle sole; Enamel Elas-tic side Boots, very thin, Calf, Lace, very thin; Patent, Calf, Elastic side Boots, Short Blucher Boots, Heavy Grain Wellington Boots, Cloth to Elastic the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poultices, after the rubbing in of the Ointment, will do great aervice. This is the only sure treatment for females, cases of cancer in the stomach, or where they may be a general bearing

Indiscretions of Youth;-Sores and Ulcers.

Blotches, as also swellings, cau, with certainty Blotteres, as any second provide the optimized by the used freely, and the Fills be taken ni-fit and morning as recom-mended in the printed instructions. When treated and the Fills be taken minist and morning as recom-mended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humour from the system, and leave the patient a vigorous and healthy being. It will acquire time with the use of the Fills to ensure a lasting care. sting cure.

United States.

PRINCE OF WALES .- The Prince of Wales derful. and company reached Pittsburg from Cincinna-ti, Monday evening, October 1st, at 8 o'clock 45 minutes. The Pittsburgers received him with immense applause. The party renewed their journey at 1. P. M., October 2d, reached Altoona late in the afternoon, and Harrisburg at 11, P. M., Baltimore at 1 o'clock, P. M., keep this remedy by them.

ship's permission he would accompany him to the Executive Mansion. There were present with General Cass Messrs Henry and Buchanan, nephews of the President, each formerly his private Secretary, and on this cocasion representing the President's family. Several carriages of the President, together with those of Secretaries Toucey, Cobb, Thomp-son, and Cass, and Lord Lyons, were in waiting to convey the party to the White House. Upon arriving at the Mansion he was presen ted to the President by General Cass, and re-ceived a cordial welcome. Lord Lyons then performed the ceremony of introducing the suite. Mothers.

The proceedings were private, the gates being closed to prevent intrusion, and were guarded by police officers. The Prince goes to Jamestown, Va, thence to New York, thence to Boston, thence to Portland embarking for home the 20th. He and his friends seem to have enjoyed their United States visit.

THE PRINCE IN NEW YORK.—The New York papers of the 12th contain lengthy descriptions of the enthusiastic reception of the Prince of Wales in that city. The largest concourse of people ever gathered together on the continent of America greeted the Royal youth with acclama-tions and every demonstration of welcome as he proceeded, with military. escort, through the long extent of Broadway from the landing place at Castle Garden to the Fifth Avenue. Along the whole line of route there was a profuse dis-play of flags and appropriate devices. In the revening there was an immense gathering in front of the hotel where His Royal Highness and suite were lodged. The people would not be denied a sight of the Prince, and after re-peated cries of "Long live the Prince," "God save the Queen," "Show us our little friend," and a number of other exclamations, the Duke THE PRINCE IN NEW YORK .-- The New York ing.
