

Shredded Wheat Biscuit

Dentists Testify as to its Value.

"I wish to say that I am interested in inducing people to get more of the phosphates into their bones. I am a dentist, seventy years old, and I have seen so many young people with teeth as soft as cheese, simply structures of nothing, comparatively speaking. I wish people could be educated, and learn what to eat. I think Shredded Wheat comes the nearest to a perfect food." DR. C. F. BLOOD, New London, Conn.
