Now Ready A Struggle for Life Higher Criticism Criticised

BY REV. JOHN LANGTRY, D.C.L., Cloth, 328 pp., \$1.50 post-paid.

In this carefully prepared volume the foundations upon which the assumptions of the extreme Higher Critics are based are submitted to a rigorous examination, and it can fairly be claimed that the author has effectively exposed the utter inadequacy—not to say worthlessness—of these foundations. It would seem as though Dr. Langtry had not left the Critics a foot of ground upon which to stand.

At all Book stores, or sent post-paid upon receipt of price by the publisher.

OUTLINES OF THE LIFE OF CHRIST.

With Large New Map of Palestine. By Professor W. SANDAY, D.D., Oxford. Post 8vo. Price \$1.25 net.

All interested in Theology will be glad to have Dr. Sanday's article, "Jesus Christ," which was originally prepared for Hastings' "Dictionary of the Bible," in this convenient form. The "Guardian" said that this treatise would "take rank as of the first importance for students of theology"; and another leading Review stated that "Dr. Sanday could have printed this article in a half-guinea volume, and we should all have had to buy it." Here, then, is the article, revised throughout; divided into chapters and sections; with an important new map of Palestine added; and issued in handsome form, for less than half that amount. Sent post paid.
