### Nomination Meeting

The following gentlemen were nominated as reeve and councillors for the Township of G. risk for the year 1920: ... For councillors, those were nominated: ...

For reeve trustees Henry ... James Johnson was then elected chairman and called on Mr. ...

Mr. Lints said he happened to be the first on the list of nominees and he hoped the tickets would put him at the head of the polls on Monday the first of January. He was in favor of using some of the large surplus on hand to purchase machinery for the improvement of our roads. He would not squander the surplus however, because there was one on hand, but would, if elected, be as careful as possible to spend money only for necessary improvements. He thanked the ratepayers for their support in the past and hoped for a large vote on the 1st.

Mr. Anthony Schneider had much pleasure in proposing Moses Pilsinger as reeve. He knew him well as a good neighbor and he believed he had been a good councillor for the last two years and he was confident he would make an equally good reeve. Mr. John D. Miller had known Mr. Pilsinger for many years and was pleased to see him on the list of nominees. He lived near the centre of the township and it was a convenience to have the reeve near the centre instead of the inside edge of the township. He hoped that Mr. Pilsinger would be elected by a large majority.

Mr. M. Pilsinger thanked his mover and recorder for their kind words of approval and also the ratepayers for electing him for the last two years as councillor. He had tried to serve the township to the best of his ability and he would continue to serve them faithfully. There was no use in going over the business of the last year as the financial statement was in the hands of the ratepayers and showed a creditable state of affairs. It was a clean sheet. The township rate was low and the balance on hand was largely increased.
