

REDNERSVILLE SUFFERS FIRE

Small Barn Owned by Local Resident Burns—Cause is Unknown

TO REDECORATE CHURCH Local Canning Factory Will Not Run This Season—Rev. L. M. Sharpe Leaving

Another fire in this village made quite a little excitement when a small barn belonging to Mrs. A. E. Phillips burned about noon on Thursday 5th inst. Fortunately a strong wind was blowing from the east which carried the sparks and cinders out over the garden lot of Mr. W. H. Redner, so that the villagers easily kept the fire from spreading to other buildings. The house upon this property is occupied by Mr. Geo. Smith and family, and no other reason is advanced than that probably the heavy eastern breeze may have carried a spark from the chimney of the house igniting some chaff or straw, as no one was near the barn for some time before.

Mrs. Geo. Gray continues in rather poor health in spite of the skillful treatment of the family physician, Dr. Fyfe.

Owing to the overloaded state of the markets for canned goods, the local canning factory is not expected to run this season. However there will be plenty of employment for those generally engaged if the plum harvest materializes according to present prospects.

Quarterly Board was well-attended here on Monday evening last and generally a good condition of affairs reported. Some surprise was produced when the pastor, Rev. L. M. Sharpe, announced that it would be impossible for him to remain for a fourth year although he very much appreciated the hearty invitation given by the Board in February. Mr. Sharpe is considering asking one year of release from the pastorate. An adjourned meeting is being held Monday evening 16th, inst.

MUCH ILL HEALTH DUE TO BAD BLOOD

If the Blood is Kept Rich and Red You Will Enjoy Health.

More disturbances to health is caused by weak, watery blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders try building up the blood with Dr. Williams' Pink Pills. These pills have a special action on the blood and as it becomes enriched your health improves. The value of Dr. Williams' Pink Pills in cases of this kind is proved by the experience of Mr. D. J. McDonald, North River Bridge, N.S., who says: "For some years I suffered severely with headaches, pains in the back and a run-down condition. At times the pain in my back would be so bad that I would sit up in bed all night. From time to time doctors were treating me, but did not give me more than temporary relief. And then one day when I was suffering terribly a neighbor came to see me, and urged me to try Dr. Williams' Pink Pills. After taking two boxes I felt relief. I got five boxes more and before they were all gone I felt as though they were giving me new life, as in every way they built up and improved my health and strength. I am now working as a harker in a pulp mill, ten hours a day and feeling like the woman after my day's work. I say with pleasure that this condition is due to Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
