TO FATHERS OF FAMILIES.

Bilious and foul state of the stomach occasions more sickness and deaths in families, than all other causes of disease put together. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and decayed vegetables, what families are safe and secure from attacks of Bilious Fever, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from this source—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the first symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is some dangerous disease, frequently terminating in death. A single 25-cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other diseases.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They set her canes griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great success that attend these Pills have done for the sick and afflicted have induced thousands to commend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing diseases.

Testimonial after testimonial showing their great powers of curing in all or every class of disease have been tendered to us by individuals of undoubted character and respectability. The following is a testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1849.

Dr. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician; but at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness to have tested them with the most happy results.

NOTICE TO THE PUBLIC.

In 1845 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of disease.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC.

An article which in every respect supersedes Sugar, both on account of its heeling virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same in every climate, retaining all their virtues in an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imputations said to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.
