

### ARCHBISHOP ROCHE'S FIRST VISIT TO BELL ISLAND.

His Grace Archbishop Roche accompanied by Rt. Rev. Fr. McDermott and Revs. Frs. Kelly of Manuels, and Gough of Portugal Cove, paid his first Episcopal visit to Bell Island on last Saturday, August 28th, and remained there as the guest of the respected Pastor of that place, very Rev. J. J. McGrath, until Wednesday, during which time the good people of the Iron Isle from all sections of that place vied with each other in rendering their homage and esteem in a splendid manner to our new Archbishop. Early Saturday morning the Island was astir in making preparatory arrangements to welcome His Grace and at 3 in the afternoon when the Episcopal party arrived on the S.S. Mary, which had been placed at the disposal of the Archbishop by Manager Martin of the B. I. S. S. Co. The Island was bedecked in holiday attire. The Mine of the D. I. & S. Co. was closed at mid-day, and the workings of the Nova Scotia Company at 3 p.m., so that when the Episcopal party landed they were greeted by ringing cheers from thousands of voices which made the hills re-echo over and over again.

At Portugal Cove where the party embarked on the S. S. Mary, they were met by Rev. Fr. McGrath, of Bell Island, and the residents of the Cove of all denominations gave the regular old-time send-off with their muskets, which could be heard distinctly on the Island. Arriving at Bell Island some twenty minutes later the whistles of the Dominion Steel Co. gave the customary salute with the toot of their pier whistles. The Scotia Company gave a similar salute following the Dominion Company, and when both had finished, a firing squad on the beach sent off twenty-one volleys. On the public wharf where the party landed, were lined up the members of the Citizens' Committee, the Knights of Columbus, the Catholic Cadet Corps, the school children, attired in holiday garb and the general public. Upon landing the T.A. Band from St. John's played appropriate airs, while cheers for His Grace and party called for by Magistrate Power, were given enthusiastically. A large procession then formed up under command of Lieut.-Colonel Conroy of the C. C. C. who had arrived from St. John's for the occasion. The Knights of Columbus with Magistrate Power and Mr. R. J. Costigan at their head, joined in the parade, after the C. C. C. with Col. Conroy and Lieut. J. M. Greene at their head, had assumed the lead, with the T. A. band. The school children followed the Knights and strewed bouquets of the choicest flowers before the carriage of the Archbishop. The general public followed the Archbishop's party and over fifty carriages from all parts of the Island brought up the rear of the procession. Mr. W. K. Murphy acted as Grand Marshal in fine style. Arriving at the juncture of Main and Chapel Streets, the Parade opened out, and the Episcopal party drove through, the Brigade presenting arms; the public cheering, and the band playing the Pope's March. Several arches were passed on the way, all testifying to the manner in which the reception was planned. Arrived at the Presbytery the C. C. C. formed up and marched past in review order, thus paying their first official respect to His Grace, who is Patron of the Corps.

In the evening a dance, under the auspices of the C. C. C., was held in the Armoury in honour of the visit of the Archbishop, while fireworks were displayed from Dominion Bridge, and the arches were brilliantly illuminated, due to the kindness of Manager McDougall of the D. I. & S. Co., who supplied the power for the occasion and to the Reid Nfld. Co., who supplied fittings from their Electrical Dept.

On Sunday morning the C. C. C. under Lieuts. Greene and Connors, held a Church Parade, headed by the T. A. Band. On arrival at the Presbytery Grounds they opened ranks and lined the grounds for the Episcopal Party to pass through. At 11 a.m. the procession started for the Church, the Band playing the Pope's March, while His Grace was accompanied by Rev. Fr. McDermott as Chaplain, and Lt. Col. Conroy as A. D. C., with Frs. Gough and Kelly as Deacons. On arrival at the Church, His Grace was received by Rev. Fr. McGrath as Pastor of St. Michael's, and by the Knights of Columbus. After the usual ceremony had been gone through, His Grace ascended the Altar and gave His blessing. Solemn High Mass was then celebrated by Rev. Fr. McGrath with Fr. Gough as Deacon, Fr. Kelly as Sub Deacon, and Fr. McDermott as High Priest. At the consecration the Brigade presented arms; while during Mass a beautiful musical programme was rendered by the choir under Professor Hassan. After Mass was concluded, Messrs. P. F. Power, Andrew Mur-

phy, L. J. Lawton and J. M. Greene, as Officers of the Citizens' Committee, entered the Sanctuary, where on behalf of the Parish, Magistrate Power read an address of welcome, and Mr. Murphy presented a purse of gold to His Grace. In response, the Archbishop entered the pulpit and delivered an eloquent address, thanking the people for their welcome, assuring them he appreciated the spirit that animated their enthusiasm to him as their new Archbishop.

He expressed himself as pleased at the spiritual and temporal welfare of the Parish under the able guidance of their Pastor Fr. McGrath; paid a high tribute to the Mining Companies operating there, and dwelt for some time on the harmony prevailing between Companies and their employees without which mutual co-operation was impossible; and exhorted all to be true to their employers, who in turn would recognize them. He promised to take up the question of Education and stated that in the near future a Convent would be started in that parish. He also paid a well merited tribute to No. 6 Company of the Catholic Cadet Corps, and exhorted both boys and parents to stand by the C. C. C., which was an education for the lads in more ways than one. The address was listened to with rapt attention, and made a deep impression on the large congregation present.

On Sunday afternoon at 3.30 o'clock Confirmation was administered by the Archbishop, assisted by Fr. McGrath as Master of Ceremonies, to about 120 children. Never in the history of St. Michael's Parish was the Church so crowded as it was at the Confirmation ceremony. Many could not gain admittance. After the Sacrament was administered His Grace delivered a fluent discourse to the children on the Sacrament which they had just received. Benediction of the Blessed Sacrament was then imparted.

At 5 o'clock on Sunday afternoon, the local company C.C.C., fully sixty strong, under command of Lieut. J. M. Greene, assisted by Lieut. Jas. Connors and Sergt-Major Murphy, headed by the T. A. Band, paraded to the Presbytery Grounds, where a Review and Inspection was held by His Grace Archbishop Roche, who is Patron of the Corps, and by Lieut.-Col. Conroy, Officer Commanding the C. C. C. This was the first time that His Grace and the Lieut.-Colonel had inspected the lads. Marching, counter-marching, manual and physical exercises were gone through in excellent manner, and both expressed themselves well pleased with the Bell Island Cadet boys. Hundreds were present at the Review, and the Presbytery grounds never looked to better advantage. After the Review the Lieut.-Colonel addressed the Company.

On Monday morning an impromptu visit was made to Lance Cove, and despite the short notice, the people of that locality gave a great demonstration that was one of the features of the trip. Particular notice must be made to the musketry and cannonading from the grounds of the Messrs Connors who made the place re-echo with volley after volley. The Archbishop delivered a lengthy address in the school house where the children strewed flowers as he entered the building.

Tuesday was devoted to the Mines. Here another good reception was accorded. In the morning the Archbishop and suite accompanied by Dr. H. A. Giovannetti and Messrs. Costigan, Joseph Murphy and Jackman, visited the Mines of the Nova Scotia Co., where Manager Burrows invited them for a trip in the Submarine Mine. Thus it is that His Grace can now say he enjoyed the privilege of being nearly three miles under the waters of Conception Bay. After the plant had been visited the party then drove to the D. I. & S. Co. plant, where they were received by Manager J. J. McDougall and Assistant Manager McDonald. The Dominion Power Plant, Mechanical Works, etc., were visited, and refreshments were partaken of, after which His Grace drove through the main streets of the Mines.

On Tuesday night an entertainment was held in Wabana Hall at the Mines. The Hall was packed to capacity, and an address of welcome was read by the school teacher, Miss McNell, while little Miss Coumbrey presented a beautiful bouquet. Rev. Frs. McDermott, McGrath and Gough were also present with His Grace, while Lieuts. Connors and Greene acted as A. D. C.'s A guard from the Cadet Corps, under Instructor Murphy, were present, and lined the entrance. The concert was purely a children's one, and all did well. At the conclusion of the programme His Grace delivered a short address, thanking the people of the Mines for their splendid reception, and he took advantage to bid good-bye to all, as was leaving would forever bear pleasant memories in the morning. He assured them he

### OUR THEATRES

**ROSSLEY'S.**  
This is the farewell week of the Russells and Mr. Jack Russell will present some of his best work, big song numbers and clever specialties, and those who have seen Mr. Russell, enjoy his clever work. The picture of our soldier lads will be shown marching. This picture was brought from Scotland by the officers lately returned. It is very clear and distinct. There will be other regiments seen, and the Newfoundland boys will compare favorably with the best of them. On Sept. 13th the famous Ian Mackenzie and Co. will appear. Ian Mackenzie is the greatest Scotch baritone singer on the Vaudeville stage today. He is also the finest costumed artist before the public to-day. He is a friend of Harry Lauder and Nell Kenyon. Read what the press notices say of him. Mr. Rossley is in New York after the best films and artists procurable.

**THE CRESCENT**  
This evening the Crescent Picture Palace presents to its patrons another interesting and very excellent programme. A very thrilling detective drama is "The Riddle of the Green Umbrella." "Happy go Lucky" is a very pleasing melo-drama, and in the comedy line there are two beauts, which will keep you laughing for hours at the recollection of seeing them. These are "the fable of how Uncle Brewster was too shifty for the tempter" and "Countess Svedele." Harvey Collins, the Irish tenor, will give his fine vocal selections, and a splendid show will be this evening's.

**Dear Madam:**  
You know how necessary it is that your husband should leave some in good humour every morning. He has many troubles to face all day, but he can easily surmount them if his attitude towards them is right. Nothing goes well with the man who starts his day in a bad temper. You have it in your power to put him in a pleasant frame of mind. Serve him at breakfast with Arbuckle's delicious Breakfast Joffee. He will appreciate it.

Yours faithfully,

### The Susu Here

The S.S. Susu, Capt. Howard, arrived here from the Northward at midnight Saturday. She brought considerable freight, 22 saloon and several steerage passengers and made all sorts of call, touching at the Wadams, going and returning. She had fine weather except for a gale from the S.W., Saturday, with heavy rain, and like the Portia from the Westward, reports squid to be abnormally scarce though cod is plentiful, the fishermen and country thereby sustaining a great loss.

### Whales Very Scarce

Up to the time the Portia passed that way, the whalers Puma and Lynx, operating at Rose au Rue, had only 12 whales between them. Some of the officers on the Portia say that the big fish, as far as the westward goes, will soon be completely extinct, as they have all been killed out.

### "Kyle's" Passengers

S.S. Kyle arrived at Port aux Basques 6.50 a.m. yesterday with the following passengers:—Mrs. J. B. Temper, Miss E. Woodridge, Mrs. E. Stevenson, R. Bailey, J. Judge, Sister Mary Albert, Sister Mary Alphonsa, V. A. Carr, Mrs. L. Hamlin, Rev. W. H. Schelly, Miss J. LeRoux, R. Smythe, Dewit Cairns, W. Musgrave, W. S. Thompson, W. G. Morgan, B. P. and Mrs. Mitchell, Mrs. A. Hall, M. McLean, Miss S. McArdle, Mrs. J. Locke, Miss J. Curtis, Miss S. Bartlett, F. A. Smith.

of his first Episcopal visit to Bell Island.  
On Wednesday morning the Episcopal Party left for Portugal Cove, and were given a good send-off. During the visit to the Island the weather was of an ideal nature, and old King Sol shone forth in all his glory. Thus finished the first Episcopal visit of His Grace Archbishop Roche to Bell Island, and Fr. McGrath, the Committee of Management, and the Island generally are to be congratulated on the reception accorded the Archbishop.

### Great Honor For Regiment

Mr. J. Murphy of Mundy Pond Road, had a very interesting letter from his son Joseph, written on the eve of the Nfld. Regiment leaving Aldershot for Egypt. He being a teamster here, is now a mule driver with the regiment, as are quite a number of others, who were used to driving horses. Letters received from other members of the regiment, say, that when Lord Kitchener was reviewing the Division to which the Newfoundlanders were attached at Aldershot, he said, never a word, until he came to our boys, when he was informed that the Terra Novas were before him. He said, so some of the letters says:—"These are the lads I am looking for. Well done Newfoundland." The commander of our boys remarked, "they are anxious to get into active service," when the great man replied "let them be ready for the Dardanelles, the next order will be pretty sharp."

All are in best of health and determined to see the campaign through to a finish.

### Indignation Amongst Stock Holders

It will be remembered that two years ago the Bell Island Transportation Co. was launched and was given a guarantee of 5 per cent on the capital stock. This year that dividend was to be paid on January 1st.—nine months ago—but up to Saturday last not a striver was forthcoming. There are a number of shareholders in this city, all ardent admirers and faithful followers of the so-called "peoples party." The loyalty of these parties to the machine and Boss have received an unexpected jar in this matter and undisguised denunciations of the "Government of promises" are heard on all sides.

It is said that if a payment is not made this week a deputation will await on Premier Morris and Finance Minister Cashin, and if they do not pay up or as one of the stockholders puts it "Cough up" then all kinds of trouble will occur. Indeed it is threatened that succession will result and that the successors will form the tenders of a new party who will be "agin the Government" with a vengeance.

### New Steamer 'Iceland' Launched

Baine Johnston & Co's new sealing steamer Iceland, a fine boat with every modern requirement, has been launched in Scotland and is being supplied with engines. Construction was delayed by the engineers being busy on admiralty orders. It is deemed possible that she may be required by the Russian Government, as she will be a magnificent ice boat. If so she will be transferred to them when ready.

### Noted Cleric Pays Tribute to Terra Nova

The Rev. Father Cox, S.J., returned from Newfoundland this week and spent a few days in the city. Father Cox, in the course of a conversation with a Freeman representative, paid a glowing tribute to the Island colony and the piety of its Catholic citizens. Speaking of the loyalty of the people he said "there are few young men to be seen in Newfoundland. They have all gone to the war. The best blood of the colony has gone to the defence of the Empire."—New Freeman, St. John, N.B., Aug. 28.

### A Beautiful Religious Service

Yesterday afternoon the annual flower service was held in the Church of England Cemetery, a very large congregation attending. Rev. H. Uphill, Rector of St. Mary's, conducted the service and delivered a beautiful and touching tribute to the dead, on the duties we owe them and the respect to be entertained for them. Beautiful wreaths and other floral tributes were placed on the grave plots by relatives and friends of those resting in the cemetery. The C. L. B. Band, under Staff-Sgt. Cake, discoursed some beautiful hymns during the service.

His Grace Archbishop Roche with Rev. J. McDermott, Adm., and Fathers Pippy, Nangle, Gough and others visited the south shore of Conception yesterday. A splendid reception was given the ecclesiastical party right along at Topsail, Manuels and Kelligrews, there being a profuse display of bunting, while handsome arches spanned the roads. The train hands of the express to-day report that the fire occurred early, a strong wind blew, nothing could be done to save the place and the dwelling as well as store and shop with all the furniture also went down. How it occurred is not absolutely known but it is thought a spark from the chimney was the cause.

### A Disgrace To Christianity

It will be remembered that Capt. Moses Young, of one of Horwood Coy's, schooners was lost last week going North. After the body was picked up we learn by the Neptune that it was brought on the vessel to Moddle's Island, thence to Cape Charles and from there it went in Mr. Soper's motor boat to Battle Hr. to be confined. The doctor or party in authority refused to coffin the remains or have anything to do with them. The body was left all day in the boat at the wharf as it came and for mercy's sake it was then brought back to Cape Charles and a coffin improvised for it. And this in a Christian country. No wonder the people on the Neptune were indignant and say that the indignation of the people North knew no bounds when they learned of the disrespect shown the body of the deceased captain.

Thrift is a virtue alike of individuals, groups and corporations.
