Kick About Coal Quality

GET YOUR COAL WHILE THE SUN SHINES

It is by no means a rare thing these times. But it is a rarity with us, because we take care to buy only the best grades of coal, as we know our customers would not buy from us any inferior qualities—not twice anyway. At it is our policy to keep our customers, we could not afford to give them any but the best coal, full weight, without dirt or rubbish and at a reasonable price.
