COMMISSIONERS LET CONTRACT

Tender for Addition to Pumping Station Granted to Schultz Bros.

The Water Commissioners met at the city hall yesterday, with A. G. Montgomery and Mayor Spence present.

It was decided to ask City Engineer Jones to survey the street in front of Parley's premises adjoining the Water Works property.

The tender of the Schultz Bros. Co. Limited, for the erection of the addition to the pumping station as per specification was accepted, their tender being the lowest, \$4,168.00, with \$50.00 extra for steel sash. The contract for the new pumping machinery to be returned.

Mr. Willis Chipman of Chipman and Power, consulting engineers was present at the meeting, and after going thoroughly through the tenders and comparing the figures and guaranteed efficiencies of the respective pumps and equipment, it was decided that the contract for the new pumping machinery be awarded to The Turbine that the Watrous Engine Works Co. of this city guarantee the contract and install the plant with Brantford labor.

Proper plans for the whole lay out to be approved by the Engineer and this board, their tender being recommended by Willis Chipman, engineer.

The above means that the Watrous Engine Works Co., a local institution practically get the contract. The connections and installation cost more than the pumps and work will all be done by Brantford skilled mechanics and the money left in the city.

NO LABOR MAN

Will be a Candidate in the Approaching South Brant Election.

The Labor Temple was the scene of a lively meeting last evening when the Independent Labor Party met to consider whether they would nominate a candidate or not for the provincial general election to be held on June 29th. A. Parmenter presided and there was a good attendance of members. Several resolutions were made both for and against the placing of a candidate in the field, but the general feeling was that it would be unwise to place a candidate in the field at this time and so no action was taken, beyond passing the resolution that no candidate be nominated.

With the City Police

A game of cards paved the way to the police station last night. Three young fellows were having a game in a social club, and one of them got "broke" and obtained the loan of \$5 from another, to whom he gave a cheque in exchange. This was dishonored, and the complainant laid a charge of false pretences.

He gave evidence and said he had not won any of defendant's cash, and was forced to return the money to the fact that the cheque was for borrowed money the Gaming Act did not apply to this case. Complainant did not want to press the case, and it was dismissed upon payment of costs, which amounted to \$7.85.

A big burly man answered to the name of Sam Todd when it was called, and he was given a black character by the sergeant. He had proved objectionable 16 or 17 years ago, and was one of the men who jumped a \$500 bail on a charge of incendiarism beside the Grand Trunk station in the year 1897. Since then he had travelled round with no particular ambition and had landed back in Brantford in a leg, trying to raise sympathy. Sergt. Donnelly asked that he be sent back to his home in Rochester, N.Y., and the magistrate ordered him to leave the city immediately.

A charge of fraud against Ossan Maldaver was amicably settled this morning. It was said that Maldaver had taken a horse from the stable of Leone Fedor after he had been talking of it to her, but no agreement was come to whereby he could take the horse, which he afterwards did without the owner's knowledge. Maldaver said it was all a mistake and the case was dismissed upon settlement between the parties.

A real estate deal of two years ago came before the court this morning when a man was charged with false pretences. According to the charge, he, on or about May 10th, 1912, obtained \$225 from a local citizen by representing that he owned a lot of land in Saskatoon, for which he had paid \$250. He had told a tale of his money being tied up, and wanted the money to get married. The money was given and on investigation the land in Saskatoon did not realise, and defendant did not come forward. To-day at the request of both parties the case was allowed to stand over for a month.

The Conservatives of South Huron nominated H. Eilber, M.P.P., as provincial candidate.

MRS. RUTHERFORD DANGEROUSLY ILL

Husband's Fate on Empress of Ireland Proved a Terrible Shock.

HAMILTON, June 3.—According to word received from Montreal, Mrs. Rutherford is dangerously ill as a result of the tremendous shock the news was to her. She has been removed to the home of friends at 63 St. Mary street, Westmount, and her condition is very serious. Mr. and Mrs. Rutherford had been living at 100 Chomely street since going to Montreal. Mr. Rutherford was a silk buyer for James J. Ogilvy and Son and before joining that firm he was connected with the Right House here for a number of years in that capacity of buyer, coming here from Toronto. He had made arrangements for a trip several weeks ago when he booked on the Baltic, but he did lay it in order to accompany Mr. Hirschheimer, of Montreal, who booked with him on the Empress. Both men occupied staterooms which were in the section of the boat which was damaged and it is thought that there chances of escape were slight.

It is likely that the body of Mr. Rutherford will be buried here if it is recovered. He has a child buried here and the authorities of the Right House, where he worked for so many years, are of the opinion that the funeral will be held here. Nothing has as yet been heard of the body of either Mr. Rutherford or Mr. Cayley being recovered, but the Right House have a man, William Slack, at Quebec, and he will notify his firm the minute that any news of either the body of Mr. Cayley or Mr. Rutherford is heard of.
