Cold-Catching Weather

When blizzards whip the sleet and snow across your face—when chilly moisture bites through your warmest clothes—then you should have a box of Waspole's Formolid Throat Ease to prevent Coughs, Colds, and Sore Throat.

These pleasant-tasting pastilles are a great help to the voice if husky from overstrain, smoking or mouth breathing when sleeping. Also will allay that distressing throat irritation so common with many people after retiring.

Why Ford Predominates

Endorsed By Fleet Owners

In almost every business where fast and economical delivery service is a factor, Ford trucks have established an enviable reputation.

The experience of Robert Simpson Company Limited, is a typical example. The Robert Simpson Company operates one of the largest truck fleets in Toronto, 55 Fords.

This fleet has proved so satisfactory that it is being constantly enlarged; so practical and economical in operation that during the past five years not a single car or truck has been traded in. The prompt and efficient delivery system which is an inseparable part of this store's service to the public is largely due to the flexibility and staunch endurance of this Ford delivery fleet. The Ford has the confidence of its users. That's why there are so many Ford users.
