## Canada Business College Notes

All Previous Records Broken by Present Attendance

This institution opened on the 5th inst., with the largest attendance in the history of the institution for the September opening. To provide for the expected increased attendance, Messrs. Harvey Hicks and J. A. Anderson have been engaged as additional members on the staff of the school. A great many students are expected during the month, so that the attendance will probably exceed by far any previous record of this institution.

Students are expected to arrive from British Columbia, Alberta, Assiniboia, Manitoba, Nova Scotia and Prince Edward Island. It is expected that the ground will be broken for the new college building next week, and it will not be ready for occupancy any too soon, as from the present rate of increase the quarters now occupied would soon prove entirely inadequate.

Besides the regular staff of teachers, the following have been engaged as special assistants in checking work: Messrs. Geo. Spicer, K. L. McIntosh, J. C. Cooper, and Miss Jenkinson. Mr. Arthur Doyle has also accepted a position as second stenographer in the college office.

In the list of students registered the first day, we note the following from outside points, apart from a large attendance from the city and vicinity, which will give some idea of the patronage of this school:

Mary Cooper, Wallaceburg; May James, Blenheim; W. R. Hughes, Kent Bridge; Clifford Shaw, Thom'sville; Mary E. Graham, Shelburne; L. Galloway, Thamesville; Marion McDeditch, Ridgeway; Agnes Scherill, Ballinafad; Maud Marcus, Bothwell; Myrtle Congdon, Essex; Ethel Shaw, Turnerville; Blanche Chambers, Alvinston; Zella and Grace Bissel, graduates of University, Ann Arbor, Mich.; Clara Norton, Georgetown; C. Estabrook, Glenora; Mary Kinkin, Charing Cross; Ethel Robson, Florence, Ont.; Max Thom, Inwood; Ella Jeffrey, Newbury; Myrtle Watts, Stoney Point; M. B. Taylor, Wardsville; L. Mordie, Seaford; C. Gregory, Darrell; S. Coatsworth, Romney; M. Douglas, Millbrook; S. McFadyen, Oil Springs; J. E. Richards, Bothwell; P. Hooper, Exeter; P. Charlebois, St. Mary's, Que.; D. Truquart, Oshawa; Roy Wilson, Indian Mountain; N. B. J. A. Nisbet, Bridgeton; S. McHardy, Fergus; S. Mitchell, Minnetonka; Man; Bertha Ellis, Langbank; Nettie Rhodes, Chatsworth; E. Cochrane, Camlachie; J. B. Robinson, Hatchley; G. R. Smith, Wallaceburg; Thos. Haller, Bothwell; M. L. Irvine, Palmyra; Bert Gyman, Florence; Ruby Thompson, Charing Cross; V. Graves, Thamesville; J. C. Veitch, Adda; H. L. Godwin, Corinith; L. Willey, Ridgeway; D. Crawford, Campbellton; J. W. Bawden, Exeter; William Grist, Blenheim; S. Pringle, Ridgeway; B. Skinner, Wallaceburg; Earl Jackson, Osborne; A. and J. Crouty, Gaitheil; J. Fitchell, Belmont; Asa Stewart, Bunyan.

## HEAD ST. SPUR

Some time ago reference was made in this journal to the possibility of the removal of the P. M. tracks off Head street, West of Victoria avenue. The street is being paved. The work has been completed until here it had, of necessity, to stop until the company decided what it will do. As the matter stands at present the company faces an outlay of about \$5,000, its share of the cost of paving this part of the street, with the prospect of very little return for its outlay on account of the industries that are being established, and the fact that the electric line, moreover, a petition is now in circulation to pave Head street east of Victoria avenue. This will cost the P. M. about \$7,000.

General Manager Colter and Superintendent Pyeat at a recent conference with Ald. Austin, Dunn and Edmondson, talked over the situation and asked if the Council would change the pavement to some other kind. He would not state what his position would be if the class of pavement were changed, nor would he give any idea of what the road wanted.

He stated, however, that rather than pay their share of paving east of Victoria avenue, the company would tear up its tracks. The great objections to the tearing up of the tracks come, however, from the Canada Flour Mills and the Hadley Company. It is understood, however, that both of these places will be tapped by switches from the electric road.

W. F. Smith is prepared to continue the work of endeavoring to compel the removal of the tracks. He has received instructions from several interested residents to take the necessary steps to prevent the loading or unloading of cars on Kent street.

The only authority the road has for being on the street is a short by-law of the city granting them permission to lay their tracks along it to reach the Canada Flour Mills. It would seem possible to repeal this and do away with the nuisance.

Miss Ruby Maggs, Joseph street, has returned to the city after a week's vacation.
