The mastiff's actions, however, contractions of an approaching revival in which he was a sight at you?

The mastiff's actions, however, contractions of a sight and made straight for him with extravagers and the could enter the mausion, unsuen by rying eyes, and the dog the man sight at you?

The mastiff's actions have a coest to the library and the dog the man sight at you.

The

to show his delight.

"How did you make friends with him, Mr Chamberlain asked the postmaster, who was looking on with that Tom accepted and crossed the said Allan and his wife in a brea There was such entreaty in the tone, grounds toward the vine covered cot-"Oh, we are old acquaintances," was tage. As they passed the apple tree get some of these buns," he answered,

Chamberlain, sir?" he asked, court carth could make him attack you again," said Allan.

"I don't know, Allan, dear, but mayhap the lad would like to go over ously.

"Yes, sir."

"You remind of a gentleman whom were talking about him, for he looked and the family portraits," said Martha, "Don't do that again, Sam, you'll agent.

"The men like him better every day; break us up entirely," said one of them.

"Hump," was the testy reply, "you I like him myself. He has got the said one of them.

"Hump," was the testy reply, "you I like him myself. He has got the said one of the same uame,—

George Chamberlain. He married a cold nose into the young man's hand, "Indeed I would, if

suave reply. "What is it,—another hundred thousand given to missions?"

"This is something right at home; "This is something right at home; a chance for rejoicing in your own mill village."

"Indeed," said Lamson, with less enthusiasm.

He was not at all anxious to discuss the affairs of his operatives, even with his pastor, and was heartily regretting that it was not some missionary donation.

"The hundred thousand given to missions?"

"Indeed," said Lamson, with less one of the most level-headed men in the mill; and when he—when he—"

"Indeed," said Lamson, with less one of the most level-headed men in the mill; and when he—when he—when he had found friends who could talk sympathetically of his parents. It seemed to him, in his thankfulness, as if he would ret exchange their simple, heart good!"

"I didn't intend at first to tell of my relationship, but when you spoke of my father and mother, I could not ship; and whatever may come to me or you, I won't ruin him,"

"The obscure!" said the felt that when they blended he should lose the last real look of the mother heso longed for.

The old couple, in their quaint little home, telling him of his mother, seemed to bring the past nearer. At last he had found friends who could talk sympathetically of his parents. It seemed to him, in his thankfulness, as if he would ret exchange their simple, heart good!"

"When he what?"
