Dundonald in Toronto.

Lord Dundonald, was given a magnificent reception by the people of Toronto, in Massey Hall, last Friday evening. The hall was packed to the doors, in spite of the great heat.

Our Ottawa Letier

"It is for the people to decide, let them determine whether Canada shall have a Government owned railway or a railway owned Government."

THE WEEK IN PARLIAMENT.

During the week the Militia bill was passed with the exception of a single clause, which was held over for further discussion.

CONSERVATIVES BACK AUDITOR GENERAL.

The Conservative party to a man are at the back of the Auditor General in his attempt to protect the treasury from the hordes of grafters who throng the corridors of Parliament Buildings.

St Andrew's Centenary Celebration.

The centenary celebration at St. Andrew's on Thursday last was an eminent success. The day was fine and the attendance was large.

MILITIA IS ROTTEN TO CORE.

Lord Dundonald has done much to expose the rottenness of the militia department. An attack upon the system by Col Thompson, one of the strongest Liberal supporters in the Commons, opened the eyes of those who imagined that the millions of additional expenditure incurred in connection with the force had resulted in improvement.

MR. HAYS IS THE WHOLE THING.

It is a somewhat ludicrous spectacle to see Sir Wilfrid Laurier and his associates dancing attendance on Mr. C. M. Hays. Ever since the first hitch in the Grand Trunk Pacific contract, Mr. Hays has played a very important part in the affairs of Canada.

upon the management of the militia by the late General Officer Commanding has placed the matter in a different light. In the recent debates on the Militia bill, the department has been shown to be run for the benefit of politicians and grafters.

MR. FISHER'S CHICKEN FATTENING

But he became a member of Parliament, Mr. Horace Hazard, member for West Queens, P. E. I. was an employee of the Dominion Government. He is a great authority on the fattening of chickens, and for three years ran the government chicken fattening station at Charlottetown.

LIBERALS AFRAID OF THE TRUTH.

The leader of the opposition failed to get the ear of the Government when he proposed to strengthen the hand of the Auditor General in the control of public expenditures.

Visit of the Apostolic Delegate.

The Church has new hardwood floors put in and beautiful and substantial new pews have been erected. The beautiful new altar presented by the priests, nuns, and the laity, is a gem.

ions have passed that stage when Mr. Hays considers it his duty to approach the Premier of Canada. The Liberal party has committed itself body and soul to the Grand Trunk Pacific and the promoters know it.

News of the War.

Tokio, July 14.—It is denied in high quarters here that the Japanese army has been suffering reverses with heavy losses at Port Arthur. The story which was repeated here from everyone that the Japs lost thirty thousand men here is laughed at as absurd.

The original report of the Japanese disaster reached St. Petersburg on Tuesday night in the form of a newspaper despatch from Mukden and was received with incredulity, but at about noon when it was confirmed by the official telegraphed news to the General Staff it created a tremendous impression.

GRAND Tea Party!

The loss of 30,000 of the best soldiers in an attack against fortifications with guns in position and the approach soon with mine was considered to be quite within the range of possibility, if the Japanese, as on other occasions, stormed the fortifications with their accustomed recklessness, and especially if the mines were exploded under masses of men.
