

**"Beaver Flour"**

is the finest blend of the two best wheats Canada produces—Manitoba Spring wheat and Ontario Fall wheat. One provides the rich gluten that makes bone and muscle, the other gives lightness and whiteness to the bread and pastry. Beaver Flour makes more loaves to the barrel than any other flour on the market—loaves that are sweet, nutritious and light, and it also makes delicious biscuits, cakes and pies.

Try it, and show your friends the excellence of your baking.
