THE ANTWERP BOMBARDMENT.

Special to Evening Telegram. ANTWERP, Oct. 4. The Germans have made no further progress in their attacks on Antwerp. Two assaults have been repulsed and have been followed by counter attacks by the garrison. The defenders after being forced back to the river by the German artillery, hold a strong line.

GERMAN REGIMENT DESTROYED.

LONDON, Oct. 4. Fort Waelhem, a stronghold outside of Antwerp, destroyed an entire regiment of besieging Germans on Saturday.

GERMAN EAST WING RECEDED.

LONDON, Oct. 4. It is stated that the Germans have receded on their eastern wing where for many days they have been going back. In that region of the great battlefield the famous French Alpine riflemen came in contact with the Germans and inflicted considerable loss.

ALLIES MAKE VIGOROUS ASSAULTS.

ON THE BATTLEFRONT, Oct. 4. Trenches after trench of German lines fell into the possession of the Allies yesterday, after vigorous assaults carried home with a determination combined with newly-learned lessons of caution. The Germans who had borne back the Allies' western wing slightly on Friday, retained their advanced positions near Roye until these became untenable. They then fell back to new lines, which had previously been prepared. The western wing of the Allies' Army still forces extended to-day, and now reaches within 30 miles of the Belgian frontier, carrying the Allies' overlapping movements. In a north-easterly direction German reinforcements on this end of the line are very strong. These troops were probably brought from bodies of German forces stationed in the rear of their advanced entrenchment. Their counter-attacks against the Allies' front did not meet with success, and the French and British were able to make them fall back on their deep trenches. The sight of the Allied infantry creeping across the open space in front of the trenches in a brilliant line, which glittered on their weapons, was impressive. Everywhere the French and British soldiers seemed as though glued to the ground, but yet their widely extended lines progressed bravely forward. In only two or three instances did they encounter machine gun fire before reaching the German trenches. They found few Germans there to meet their bayonets, as the enemy had retreated to another line only a few hundred yards back.

ENGLAND'S HOPE FOR THE FUTURE.

WASHINGTON, Oct. 4. Premier Asquith characterized the German invasion of France and Belgium as "worthy of the blackest stains in the history of barbarism." In his speech at Cardiff, the British Embassy announced last night. The Prime Minister declared, too, that England looked forward at the end of the war to a new Europe, in which treaties and rights which guided the duties of the strong will be safeguarded against a recrudescence of its era of blood and iron.

POPE WRITES AUSTRIAN EMPEROR.

ROME, Oct. 4. The Pope has personally written to the Austrian Emperor urging him to use his power to shorten the conflict.

REGIMENTS OF GERMANS WERE DROWNED.

LONDON, Oct. 4. A despatch from Petrograd says the Germans are evacuating Russian territory. Whole regiments have been drowned in the Niemen River and have lost their siege artillery. The Emperor, it is declared, escaped with difficulty.

DE WIT CAUSING TROUBLE.

LONDON, Oct. 4. A despatch from Potoschetrov, South Africa, says that an attempt by

General De Wit to address a meeting of protest against the Government's action in regard to the war, resulted in the breaking up of the meeting after a demonstration which approached the proportions of a riot.

Admission to the hall had been restricted to ticket-holders, but a crowd of sympathisers with General Botha, who had taken command of the operations against the Germans in S.E. Africa, gathered outside after battering down the barricaded doors, bombarded the anti-government forces with eggs and bricks. A free fight followed, during which the lights went out. The crowd from the hall moved into the open where De Wit again attempted to speak. Once more he was interrupted by singing, shouting and cheers for Botha. Later the supporters of Botha paraded the streets and ended the demonstration by adopting a vote of confidence in the Premier.

FERRY STEAMER LAUNCHED.

LONDON, Oct. 4. The new Prince Edward Island ferry steamer is being launched at Newcastle-on-Tyne to-morrow, and will be christened by the wife of Hon. G. H. Perley.

ALLIED FORCES MAKING PROGRESS.

PARIS, Oct. 5. The following official report was issued by the French War Office at 3 o'clock yesterday afternoon: "First, on our left wing after having repulsed all the enemy's attacks we have resumed the offensive on several points. At other points our position well maintained. Second, on the centre nothing noteworthy has taken place as far east as the Argonne region. In the Argonne district we have driven the enemy back toward the north. In the south of Woerwe, we are making progress, but very slowly. Third, on our right wing in Lorraine and the Vosges there is nothing new. An official announcement issued by the French War Office last night reports progress in the region of Soissons, where several German trenches have been taken. The battle on the left wing is in full swing, without any decisive result having been attained. The text of the communication follows: "1st, on our left wing the struggle is in full swing in the region of Arras without any decision having been reached yet. This action has been less violent between the upper valley of the Aisne and the Somme. Between the Somme and the Oise we have made progress in the region of Soissons, where some of the enemy's trenches have been taken. 2nd, on almost all the remainder of the front the lull, already noted, prevails. In Woerwe region we have made some progress between the Ayrumont and the Meuse and on the Rupert-de-mad."

THE SIEGE OF ANTWERP.

LONDON, Oct. 5. The Belgian legation issued the following official announcement, last night: "On the east of the River Senne the defence of Antwerp has been forced to fall back to the River Nethe before a violent attack of German artillery, after a desperate resistance of five days. Our position on the Nethe is very strong, and the Belgian Army will resist with its full energy."

RUSSIANS INFLECT DEFEAT.

LONDON, Oct. 5. It is officially stated here, says the Exchange Telegraph Petrograd correspondent, that the Russian victory and a German defeat, was complete and the enemy is in disorderly retreat toward the East Prussian frontier. The Russian troops showed exceptional bravery and persistence and are pursuing the enemy who abandoned in their retreat cars, guns and stores which have been founded. On the left bank of the Vistula and in Galicia, there is no change in the situation.

"Pape's Diapiesin" ends Indigestion, Gas, Dyspepsia and Stomach Misery in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes. Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation. This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery. Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

Unique Service at Pleasantville Camp.

On Saturday morning, a few hours before the First Nfld. Regiment left the Camp Pleasantville, a Christian service was given the Methodist boys belonging to the contingent. Capt. March very kindly gave his services and succeeded in arranging a large mess tent so that all the boys could gather and receive some parting words from their clergymen in the city. All the Methodist ministers who were in the city at the time were present and spoke, expressing their deep appreciation of the service the boys were rendering in going to the front to represent their country, and to help the Mother country. The gathering was hearty and spontaneous, such hymns as "Onward Christian Soldiers," and "Stand up, Stand up for Jesus" being sung. The parting words of encouragement were listened to very attentively and after the brief service, the last of the kind given our boys before leaving, many of them expressed their deep satisfaction, and will carry with them the memory of a unique and impressive gathering worthy of the occasion which called it forth.—Com.

The General says:

When we began our career in the manufacture of roofing, we were only a modest little organization in a big competitive field. Today we manufacture a much greater quantity of ready-to-lay roofings and a much greater volume of building papers than any competitor in the world. This remarkable growth is the result of the universal satisfaction given by

Certain-Teed

Quality Roofing Durability Certain-Teed

—the roofing that has become recognized as superior to all others in quality and durability. Certain-Teed Roofing is guaranteed 5 years for 1-ply, 10 years for 2-ply, and 15 years for 3-ply, and this guarantee is backed by the assets of our three big mills.

COMPETITION. The kind that wins. In a competition like the true spirit of good business. There is no room for compromise, or occupation, equal to it for absorbing interest and endless succession of exciting incidents. It is shown to that kind of a healthy competition and friendly rivalry that does not sour neighborhood relations. On the contrary, it should tend to bring those men together who are engaged in a similar business for the purpose of free discussion and publicity of opinion.

Unfortunately, this does not often occur. Men engaged in a like business sometimes find two friends, combine their interests, and form a partnership, contrary to the laws of the realm. Others enter into a bitter personal conflict with each other, endeavoring with might and main to show superiority, soon and direct respect for the banks of their competitors and those rivals.

The intensity of the competitive struggle is subject to a great deal of variation. At times it may be characterized as a "great deal of variation." At times it may be characterized as a "great deal of variation." At times it may be characterized as a "great deal of variation."

Each competitor should be sure that his service is better, or his quality is better, or his goods are better, or his price is better, or his terms are better, or his delivery is better, or his reputation is better, or his credit is better, or his location is better, or his facilities are better, or his equipment is better, or his personnel is better, or his management is better, or his
