We have received a few copies of

The Modern Family Doctor.

A guide to perfect health, containing
700 double page columns.

Only \$1.50.

A History of the British Nation from
the Earliest Times to the Present
Day, by A. D. Innes. The Contem-
porary Review says this book is
fairly comparable with Mr. J. R.
Green's "Short History of English
People," and perhaps avoids some
of the weakness of that great work.
1,000 pages, 400 illustrations and
maps, large print, \$1.50.

Jack's Reference Book—an Encyclo-
pedia: a Medical, Legal, Social,
Educational and Commercial Guide,
a Dictionary, \$1.50. Above three
books in uniform edition.

The War: a History and an Explana-
tion for boys and girls, by Eliza-
beth O'Neill, containing 12 colour
plates, 36 black plates and maps,
from the commencement to Italy's
declaration. Large print, suitable
for Xmas gift, \$1.75.

A Nursery History of England, by
Elizabeth O'Neill, illustrated with 95
plates in colours, and numerous
other pictures by Geo. Morrow. A
fascinating book that aims straight
at the children. Large print, suit-
able as a gift, \$1.75.
