

Prime Timothy Hay.

We have just received a telegram advising us of the shipment of

1009 Bales Prime Timothy Hay

per steamer due to arrive on Wednesday. We would strongly advise our customers to book their orders out of this lot for prompt delivery from ship's side as Hay is very scarce, and likely to be much higher in price.

The Universal Dictionary, THE BEST DICTIONARY NOW ON THE MARKET.

For \$1.00.

Postage 4c, extra if mailed.

As the language changes and dictionaries must change with it. Dictionaries made a few years ago, even with frequent revisions, to meet the needs of to-day, require rebuilding to give the balance between the words and definitions in use to-day and those of yesterday. Our modern Dictionary not called "Webster's" because the dictionary can claim to be more useful at the present time than to render the use of his name useful as a misnomer.

The Universal Series of Concise Type School Dictionaries are based upon the foundation laid by Webster and other Lexicographers, modernized by Charles Merriam. In clearness of type and in the way in which the eye finds the word, simplicity and accuracy of definition, in fullness of contents and in the arrangement, these Dictionaries are found to excel other works of the purpose.

Among the noteworthy features of the following: Each word is set into syllables to show the pronunciation of words. The organization of words. All proper nouns begin with capital letters, and words with small letters. Synonyms and antonyms are given in the body of the word. Following the definitions of words, the pronunciation of words is shown by a clear and properly centered system of phonetic symbols with key to pronunciation at the bottom of each page.

Each word and its derivatives defined separately instead of being crowded in with definition; an expedient which saves space but lacks utility.

We have a full series of Concise Dictionaries in cloth at \$1.00, \$1.50, and in leather at \$2.00.

If you need a Dictionary, get your chance to get one at this price now words and their meanings.

The White Ladies of Worcester.

A ROMANCE OF THE TWELFTH CENTURY.
(By Florina Barclay.)

Nora, the leading character in this story, believing she has lost her betrothed lover, Hugh D'Argent, either through unfaithfulness or death, while he is absent on a crusade, enters a Convent. Hugh returns and tries to prevail upon her to leave the Convent but she determines to remain true to her vows. To the Bishop of Worcester falls the task of bringing the lovers together, and Nora at last gives herself to Hugh, persuading herself that she is following God's will. Bound in cloth. Postage 4c.
