TEETH EXAMINED

Dr. A. B. Lehr,
Dentist,
203 Water Street.

This is the Old Reliable Office. Established 27 years.

DISEASED GUMS AND TEETH.

Of all the poison taken into the blood, the germs and pus contributed by the diseased gums and teeth are the most destructive to the human system. If every red blood cell is forced to fight against numbers of germs to the cell, the blood cannot attend to the building up of the body and if allowed to continue the system is bound to break down and eventually you are an invalid. Kidney, stomach, heart trouble, rheumatism and many other diseases are brought on by diseased gums and teeth.

EXAMINATION FREE.

Mystery Stories and Detective Novels.

THE AFTER HOUSE—A Mystery Story by Mary Roberts Rinehart. It is a capitally done story of murder, mystery and love; its pages are full of the spirit of adventure, the buffeting of the gale and the atmosphere of the Sea. Price \$1.35.

AT 1.30—A Mystery Detective Story by Isabel Strander. A man is found murdered in his study at 1.30 o'clock. Who did it? His brother, his wife and even his mother come within range of suspicion, but owing to the wonderful gift possessed by a blind detective the real murderer is at length detected. Price \$1.35.

THE BLUE LIGHTS—A Thrilling Detective Novel by Arnold Fredericks. A mystery story of compelling interest. The story is filled with action and moves towards its climax with that cumulative interest that stamps its author as a master of construction. Price \$1.35.

CLEEK'S GREATEST RIDDLES—A book of most enjoyable detective stories by T. W. Hanshaw. Price \$1.35.

THE IVORY SNIPER BOX—By Arnold Fredericks. A book that goes with a rush from the first chapter to the last. Price \$1.35.

THE LITTLE FORTUNE—By Arnold Fredericks. "The Little Fortune" may be only a little silver franc piece of the great Napoleon, yet its potency was sufficiently great to cause the death of at least one man, to bring about an international plot and in the end to engage the attention not only of Richard Duval, the famous American detective, but the secret police of Paris as well. Price \$1.35.

THE RED STAIN—By Ahmed Abdullah. A story in which murder, mystery and crime prevail. One of the best detective stories ever written. Price \$1.35.
