**A NEW NOVEL**  
by the author of "The Shepherd  
of the Hills."  
**"Helen of the Old  
House,"**

by Harold Bell Wright.  
A stirring romance of Ameri-  
can life to-day. The scene of  
the story is not localized but  
brings to mind almost any man-  
ufacturing town or community.  
The chief character, "Helen of  
the Old House," represents the  
finest type of American woman-  
hood. A beautiful love story in  
a colorful setting, "Helen of the  
Old House," sweeps to a climax  
that leaves one impressed anew  
with the virility and force of  
Harold Bell Wright.  
**\$2.00.**

**GARRETT BYRNE,**  
Bookseller & Stationer.

Clothes and the woman—one  
and inseparable—always will  
be—and always should be. But  
my, how thrifty they are getting  
nowadays and yet they continue  
to dress just as well.

Other women except Dainty  
Dorothy have learned how to  
make last season's suit meet  
this season's requirements. They  
have learned of our superior  
cleaning and dyeing facilities,  
and they are taking advantage  
of them—so are the men folks.
