BELFAST, May 24. Brigadier-General Higginson, who recently commanded the British Infantry at Cork, was shot and wounded in two places while riding near Tip-

perary to-day. While large groups of shipyard workers were returning home to-night, bombs were hurled at the tram cars on which they were riding and sharp fire ensued, resulting in several casualties. Police returning from operations in Ballymena District, were ambushed and a severe fight followed, two of the attacking party being killed. Carnegie Library in Falls Road District was set on fire and mobs attacked firemen and also police. A tram car was stopped, saturated with oil, and set afire.

Three of the assailants, who proved to be former Ukrainian officials, were arrested. They gave as their reason that they wished to avenge the Ukraine for Polish oppression. Chancellor Schober called on the Minister and expressed his regret at the incident.

PREMIER CLIMBS DOWN.

LONDON, May 25. Premier Lloyd George is prepared to-day to open the debate in the House of Commons on the achievements of the Genoa Conference. His political opponents were also ready, and the Premier's replies to his critics, after his set address, is expected to form the most interesting part of the debate. The public is taking an intense interest in the event, while a big attendance of members is expected, since Mr. Lloyd George announced his willingness to forego the intention of forcing his critics to speak first. His surrender to pressure from both supporters and opponents on this matter has given general satisfaction and is preventing what threatened to become an unpleasant incident. Herbert H. Asquith, Liberal leader, is to follow Mr. Lloyd George, and other speakers will be John Robert Clynes, chairman of the Labor Group and Lord Robert Cecil.

ROTARIAN SPEAKS ON THRIFT TO C.L.B.

Mr. B. C. Gardner addressed the C.L.B. Cadets at their parade on Tuesday night on behalf of the Rotary Club. His subject was Thrift. Mr. Gardner spoke of the value of thrift from various aspects, and reminded the boys of the assets which they possess in body and mind and the care that should be taken of them. At the conclusion of the address a vote of thanks was proposed by the Battalion Chaplain, Rev. J. Brinton, and was heartily accorded. Mr. Gardner, who was an ex-army officer, stayed to watch some special marching and expressed his appreciation of the excellent manner in which the various evolutions were performed. Following the parade, the Officers' Mess held their regular monthly meeting under the chairmanship of the Mess President, Capt. H. A. O'Leary. Several matters, including the 1922 camp were discussed. The O'Leary Bridge Shield presentation was announced for Thursday, June 1st. This will be a big night for the Brigade and a special programme has been prepared.
