STRAWBERRIES, 10c per basket.

HUGH WALKER, Wyndham Street, Guelph, June 27, 1873.

TOWN OF GUELPH, STEAM FIRE-ENGINE WATER TANKS.

FOR SALE - A desirable Villa near A. Towbridge, being part of Lot 35, Division Guelph, of Guelph, lying on the north side of the Guelph and Ferris Road, 1 1/2 miles from the Market Square, and familiarly known as the "Valentine" lot, containing about 2 acres of land, beautifully situated with natural trees, and having two remarkably fine springs of pure water, which might be used to advantage by a lover of pisciculture. There is every comfortable and good sized apartment with stable and driving shed. There are few such properties to be purchased around Guelph.

MISSING A TRAIL - Those who failed to be present at Charlotte Ward's Parlor Entertainment in the Town Hall last night, missed a treat of rare occurrence. In each of her various characters she was greeted with a hearty and well deserved encore, especially in acting "Adolphus the Swell," "Yankee Girl," "Dressed in a Dolly Varden," which touched on Women's rights, "McLewy Dewey," and "Tommy Doddy." The latter named piece elicited great applause. Joe Banks in his "Tie Victim Solo," was worthily encored, as also in his Dutch Specialties, which earned cheers of laughter. In fact all performed their parts satisfactorily, and justly deserved a crowded house.

WANTED, and must be had by the 1st January, Fifty Yards of Waste Paper, Old Newspapers, Old Pamphlets, or Waste Paper of any kind, which will be sold at the highest price in the Dominion will be paid at the Rag and Waste Paper Depot, corner of King and Queen streets. RAGS or WASTE PAPER. Hamilton Dec. 14, 1872. D. MURPHY, dy

DRESS and MANTLE MAKING

The Fashionable West End. To the Ladies: We have during the past two years contemplated the establishment of a Dress and Mantle Making establishment, in connection with our other branches. The difficulty of obtaining a suitable person to take charge, has, up to the present time, only prevented us from doing so.

A. O. BUCHAN, Fashionable West End Dress, Mantle and Millinery Establishment.

Guelph Evening Mercury, WEDNESDAY EVENING, JULY 2, 1873.

Town and County News. STRAWBERRY FESTIVAL - A strawberry festival will be held in the basement of the Congregational Church to-morrow (Thursday) evening.

CHAMBERS' CURE - S. S. PERRY - The annual picnic of the Selkirk School will be held in the grounds of Mr. D. Guthrie, on Wednesday the 9th inst. The young folks are looking forward to it with great expectations.

ELORA FAIR - The fair in Elora yesterday was rather poorly attended, in consequence of it falling on Dominion Day, and the stores being closed. A drove of about 50 head, left the village about noon. The village was remarkably quiet.

AN INGENUOUS MACHINIST - We saw the other day in Dr. Campbell's dental office a most ingenious little machine for burning teeth previous to filling them. This operation is now done with this machine quicker, better, with less labour to operators, and less pain to the patient than by hand. If any one doubts it, let them go to the Doctor, and he will give them a trial just for fun.

STRAWBERRIES AND CHERRIES - We returned from the Elora fair, on Monday, with a large quantity of strawberries and cherries - large luscious and very sweet to the palate. Mr. Murray retains a loyal feeling for his old associates the typos, and their best wish is the material of an excellent drawing, we have never seen anything better. Mr. Guthrie will furnish drawings and specifications for parties in Guelph, by leaving their address or order at Mr. Hatcher's Office.

ACCIDENT TO A BRAKEMAN - We learn that Mr. Garrett Moore of Ferris received a telegram from the Elora fair, that his son Edward, a brakeman on the Air Line, had been severely crushed when coupling cars that day, near St. Thomas. Mr. Moore at his wife left for St. Thomas by the afternoon train to attend to him. It was reported afterwards that he had died from the effect of his injuries, but this lacks confirmation. There is no doubt, however, that he has received severe, perhaps fatal, injuries.

KNOX CURE FESTIVAL - The annual Strawberry Festival, which was held in the Drill Shed, and was not unsuccessful. The attendance during the day was very fair, and in the evening there was a splendid turn out; the immense piles of strawberries and other good things disappeared as if by magic, and still the cry was for more. Val's band was present in the evening, and added much to the social enjoyment of the company. The ladies realized the very large sum of \$240, which is a pretty good evidence of the success of the festival.

THE ACCIDENT ON THE W. G. & B. RAILWAY. THE INQUEST AND VERDICT. The adjourned inquest into the circumstances attending the death of Thomas McLennan, who died from injuries received on the W. G. & B. Railway on the 27th, was held on Monday in the Police Court.

Richard Williamson, the engine driver, was first sworn. The deceased was first sworn for him; the train was about half past eight a.m.; he examined the engine before leaving that station and found it all right; he shut down the steam after leaving Elora; when near Super's siding felt something strike the pilot of the engine; piece of the ragmen flew up and struck the window of the cab and broke; before I had time to do anything else we were off the track; the engine went off the track altogether into the ditch, on her side; deceased was standing on his own side; I did not jump but remained on the engine; we were going at the rate of 15 miles an hour; had on the train two brakemen and conductor; that is the usual allowance of brakemen on freight trains, except local trains; which have three; there were fifteen loaded cars on the train beside caboose; the cause of the accident was something that struck the cow catcher; cannot say what it was; if there had been more brakemen they could not have controlled the train in the time between the pilot striking and the accident; when I got to the engine I asked if he was hurt, and he said yes, that he had been struck by the timber, and both legs broken; he was lying beyond the timber.

Lewis Robbins, the conductor, was next examined. He said that when they came to Super's siding the engine whistled; the cab and brakemen went to obey the order; don't know what was the cause of the accident; when I got off the caboose found eight cars off the track; the deceased was lying on the ground in a half sitting posture; he was carrying a bag of coals; he had a key, took the door of the caboose and placed deceased on it and brought him to Guelph; two brakemen are the number allowed on all trains; if there had been a greater number of brakemen the train could not have been stopped sooner.

Christopher Brookmore, one of the brakemen, was sworn. He said there were seven brakes on the 15 cars comprising the train; when the whistle sounded "down brakes" he said his mate would up one brake; they had no time to reach the others before the cars were off track; he had been for two months on timber trains and found no trouble to brake a train with two brakemen.

Frederick Sayers, the other brakeman, was sworn and corroborated the evidence of the preceding witnesses. He said he considered the cow catcher on the engine was lower than it should be; when he went back to flag the engine found something had scraped the tie near the switch; never had but two brakemen on such a train.

By Worsfold handed in his evidence, giving a minute description of the injuries on the deceased. He stated that when he arrived the deceased was in a state of extreme prostration, feeble pale, etc. It was found that amputation was impracticable unless rest could be established, the danger being that if an operation had been attempted the patient might sink and die on the table.

The jury after a short consultation brought in the following verdict: "From the evidence brought before us concerning the death of Thomas McLennan, we cannot find that there has been any neglect on the part of the Company or employees in the management of the train, as it was apparently in good order when it left Ferris, and at the time of the accident was running at the rate of 15 miles an hour; that the said Thomas McLennan came to his death from wounds received in jumping from the train when the engine left the track, and was supposed to have been struck by a timber with which the train was loaded."

THIS MORNING'S DESPATCHES

News from Sir Samuel Baker. The Earthquake in Italy. The Carlists in Spain.

LONDON, June 30. - The Government have received despatches from Sir Samuel Baker, dated Khartoum, May 29, where he safely arrived with the other Europeans of his command. He reports that the country as far south as the equator has been subdued, and all rebellious movements and secret intrigues checked. The country is orderly and its Government perfectly organized. A road has been opened to Khartoum free from interruptions in ruins a victory of the 6th of May with only 100 men over the army of the African Chief, Oniso. His mission has been perfectly successful.

Florence, June 30. - The violence of the earthquake on Wednesday morning was concentrated in the country north of Venice, where its effects were terrible, both in loss of life and ruin of property. At Belluno four persons were killed and many injured; at Treviso eleven, at Visone two, and at Cavallango one. Several churches and houses were badly shattered, and hundreds of houses have been levelled with the ground. The inhabitants have not yet recovered from their terror, and thousands are encamped in the fields, but there has been no recurrence of the shocks. Best time 2.53.

New York, July 1. - At Dexter Park races in Chicago to-day the trot for \$1,000 for 2.40 horses, was won in three straight heats by Albert. The trot for 2.25 horses, purse \$4,000, six starts, was won by Fred Hooper in the 2d, 3d and 4th heats. Best time 2.53.

At noon the Wellington Field Battery paraded and fired a few shots from Mitchell's hill in honour of the day. They then marched back to camp and were dismissed.

THE CHAMPION MATCH. The match for the championship did not turn out as most people expected, the champions getting away into the 10th before the ninth inning, whilst their opponents struggled manfully to make what they did - 14. No much having been said about the Ottawa club a good close game was expected, but it soon became evident who were to be the winners. The Ottawa team composed some very good players, not forgetting especially to mention the basement pitcher and catcher, the latter indeed working like a tiger during the whole game, for which he was eulogized severely several times by the bell. The champions seemed to play very coolly, and on the whole they played through a wild throw occasionally to one of the bases was quickly taken advantage of by their Ottawa brethren. It was said on behalf of the Ottawa club that two of their best players were absent cricketing in Ottawa, and that the Board of Directors had occasionally to one of the bases was quickly taken advantage of by their Ottawa brethren. It was said on behalf of the Ottawa club that two of their best players were absent cricketing in Ottawa, and that the Board of Directors had occasionally to one of the bases was quickly taken advantage of by their Ottawa brethren.

Wellington, Grey & Bruce Railway.

Opening of the Southern Extension to Brinsvale. The opening of the Wellington, Grey and Bruce Railway, Kincaid's branch, to Brinsvale, four miles this side of Wingsham, was celebrated on Dominion Day.

The special train containing the party from Hamilton, left the station on Monday afternoon at 5 o'clock. Among those who composed the party were Col. McGovern, President of the Road; Messrs. Adams Brown, John J. Mackenzie, John Brown, John Proctor, Hon. P. R. Blake, John Walter, James Watson, Geo. Black, R. Martin, H. C. Hammond, G. W. Burton, D. Thompson, M. P., Wm. McCullough, Secretary of the road, Jas. Rymal, A. P. P., Thos. Ricord, chief engineer, Jas. Walker, W. Garbath, Secy, John H. McNeil, Secy, and Guelph Club, was an occasion, in the persons of Hon. A. McKellar, Mr. D. Storton, M. P., Col. Higginbotham, M. P., and Mr. James Massie, Mr. G. D. Ferguson, Vice-President, and Mr. J. M. Fraser, were taken in at Thurston and Elora, also the Elora Volunteer band.

The train arrived in Listowel between two and three o'clock on Tuesday morning, where the party remained until 7 o'clock, when they proceeded on their train of inspection over the new road, Mr. D. Gay and several other ladies of people joining. After leaving Listowel, the first point of interest was the station of Nevry, five miles and three quarters distant. At this station there is a plot at the present time, upwards of twenty million feet of lumber waiting shipment. At the next station, Haufersy, the deputations were met by Mr. Davies, a large lumberman of this district, who read and presented a highly complimentary address to Col. McGovern, and the Board of Directors on behalf of the people of his district.

After an ample and appropriate reply from the Colonel, the whole party adjourned to the residence of Mr. Davies, where that gentleman had a splendid breakfast served up, to which the Hamiltonians did ample justice. The train next proceeded to Ethel, seven miles further on, where a similar address was read and replied to. There were between one and two hundred people gathered here to witness the entry of the first passenger train through their village, the greatest enthusiasm prevailing. The performance being over at this place, the train proceeded on to Brinsvale, a distance of six miles from Ethel and seven from Brinsvale, the terminus to which the road is at present completed. Arrangements had been made at this place for a grand reception, and accordingly upwards of a thousand village and country people were on the platform waiting, and upon the train coming in sight they began to show their approval in hearty and constant cheering. This not being the terminus which the road is completed, the band was let off and the train moved on with the rest to Brinsvale station, seven miles further on. Here, as at Brinsvale, hundreds of people were congregated, and after the reading of an address by Mr. Messer, ex-Rieve, on behalf of the people, and the President's reply, coupled by speeches from several other gentlemen, the people of Brinsvale got on board the train and accompanied the Hamilton party back to Brinsvale, where, upon arriving, an address of welcome was read and replied to, when carriages were taken and a procession formed, headed by the band of the volunteers of the place. They went to their way through the principal streets of the village, passing under evergreen arches, which had been erected with great care, to a large building in which a sumptuous repast was served up, and of which the Hamilton representatives partook liberally. After the removal of the cloth, Mr. Lettie in the chair, letters of apology were read from Hon. O. Mowat, Mr. J. S. Price, Treasurer of the Great Western Railway, and quite a number of leading men in the Province, after which the usual local toasts were honored. Many other toasts were proposed and responded to, among the speakers being Hon. Mr. McKellar, Messrs. Storton, Higginbotham, Rymal, Thompson and Farrell, M. P., besides the President and Directors of the road.

After the meeting the procession reformed and marched back to the station, where those from a distance got on board the train, which left for Hamilton at 5.30. This was one of the best openings that has taken place on the Wellington, Grey and Bruce Railway since its beginning. The branch will be open for general traffic very shortly from Palmerston to Brinsvale, a distance of 27 miles. There is at the present time an immense amount of freight waiting shipment.

SENIOR SCHOOL PROMISE - The annual picnic of the First Presbyterian Church, Guelph, was held on Dominion Day, on the grounds attached to the residence of the pastor, the Rev. Mr. Torrance, on the York Road. There was a good turnout of young folks, besides their teachers, members of the congregation and others. All sorts of innocent amusements and games were indulged in during the afternoon, and greatly enjoyed, and the order and kindness of the respected pastor and his excellent lady made every one feel at home. An excellent tea was provided and served by the lady teachers, and the sports and pleasures were again resumed until night reluctantly compelled the young people to prepare for getting home. A very happy day was spent by all present.

HAMILTON AND THE MASONS - The great event of Dominion Day at Hamilton was the laying of the foundation stone of a new Masonic Hall at the corner of James
