Dyspepsia

Makes many lives miserable, and often leads to self destruction. Distress after eating, sick head-ache, heartburn, sour stomach, mental depression, etc., are caused by this very common and increasing disease. Hood's Sarsaparilla tones the atomach, creates an appetite, promotes healthy digestion, relieves sick headache, clears the mind, and cures the most obstimate cases of dyspepsia. Read the following:

"I have been troubled with dyspepsia, I had but little appetite, and what I did eat distressed me, or did me little good. In an hour after eating I would experience a faintness or tired all-gone feeling, as though I had not eaten apything. Hood's Sarsaparilla did me an immersa amount of good. It gave, me an appetite, and my food relished and satisfied the craving I had previously experienced. It relieved me of that faist, tired, all-gone feeling. I have felt so much beger since I tock Hood's Sarsaparilla, that I am happy to recommend it." G. A. PAGE, Watertown, Mass,

around the Commerce goal till Stevenson, with some of his old-time skill, carried it through the whole of the opposing team, and with a beautiful shoot once more scored for the Commerce. This feat he shortly repeated, making the score 5 to 1 in favor of Commerce. The Bank of Montreal, although evidently outplayed, pluckily made a determined effort to make things more equal. Robbin, Sheriff and Massey played a grand combined game, and shot after shot was made at the Commerce goal, but Roy and Complin had no idea of letting them accomplish their purpose. Roy here made a grand pass to Buckland, who ran the nuck down the whole length of the rink and made a beautiful pass to Smith, who neatly scored again. For the remaining ten minutes of play the game was very even and rough, and although the Commerce could not score again they held their own against their heavier opponents. Massey, Robin and Sheriff played well for the losers, and the Commerce team all did well. Roy and Stevenson shone conspicuously. The game was by no means so one-sided as the score looks. At some near date the teams will likely meet again. Mr. Hume Cronyn kindly acted as referee to the entire satisfaction of both teams. Messrs, Kilgour and Parsons officiated as umpires.

There are a number of aspirants for the ald, is a publication that shows how our Caurdian cousins are marching on in their day and generation to the great empire and beautiful land of men and women. We live at present in the men's world, though we think it would perhaps be fully as good as the men's; but one bisected globe is sufficient. What we want to see is the men and women's world, and its luminous orb rises even now above the horizon. This new monthly will help to hasten that luminary toward its proper place in the venith, for the new magazine conserves alike. It has a winsome kindliness of visage, and we believe will become the attached friend of all Canadian women who may listen to its utterances, and to Yankee women also if they will but have the wit and wisdom to subscribe.
