AQUATIC.

THE LONDON CLUB'S REGATTA.

Both sides of the river in the vicinity of Ward's Hotel were lined with spectators of the annual regatta of the London Rowing Club, Saturday afternoon. Twice the steamer Thames landed a crowded boat load of passengers at the dock at Ward's Park. The electric railway was patronized by a goodly number, who watched the races from the south bank of the river. Others wheeled or went in rowboats, in canoes, on horseback, or in carriages. Between 300 and 400 people were present. Although it was a dull day, and a little cool, the outing was very pleasant. The natural charm of the scenery was greatly enhanced by the flower-bedecked, fairy-like canoes, which skimmed silently about the river, the numerous rowboats plied continually from bank to bank, and the gathering of London's strapping sons and fair daughters.

The races were all good ones, nearly all being close finishes. The Leander Rowing Club, of Hamilton, who assisted in the regatta, did not bring their own racing boats with them, and the fact that they were unaccustomed to the boats in which they rowed may have been slightly detrimental to their success. Both the inter-club races, the single and fours, were won by London. The single was between N. Dinnen, London, and E. Wark, Leanders. Dinnen took the lead from the start and kept it all the way, winning by nearly two lengths. Time, 7:04 1-2. In the four-oared inter-club contest, the London crews were H. Dahlgren, P. E. Mackenzie, E. Morris and E. Rechnitzer; the Leanders were E. Wark, W. Belchamp, D. M. Cameron and W. Wark. The latter held the lead for some distance, but Dahlgren's crew were in fine form, and pulling a beautiful stroke, succeeding in getting ahead a length and a half at the finish.

The first heat of the club doubles was rowed by F. C. Beresford and H. C. Beresford against C. Dinnen and E. McIntosh. The latter won by about a length. Time, 6:15. They also won the final heat against S. Taylor and J. Rose, a very exciting race until the losers struck a stump in the river, throwing them into confusion. However, they soon recovered their stroke, and gained a little, but the others won easily. Time, 6:15.

The race between the club fours was very exciting. The first heat was between F. C. Beresford, H. C. Beresford, H. W. Lind and H. Kordes, on the one hand, and H. Elliott, E. McIntosh, W. D. Love and H. Niven, on the other. It was anybody's race until near the finish, when Elliott's crew forced themselves ahead about half a length. They met more than their match in the final heat against S. Taylor, C. Dinnen, J. Rose and E. Trafford. The latter led all the way, winning by about two lengths.

The swimming race was won easily by George Crabb, beating Geo. Hutchinson about half the width of the river. There were only the two contestants, and they swam across the river and back. Crabb has now won the swimming contests for five successive years.

The canoe race between W. D. Love and George Hutchinson was won by the former. At first Hutchinson led, Love paddled slower and steadier than Hutchinson, who lost his balance twice. "Come on, Billy," shouted Billy's particular friends while George was likewise urged by his backers. Love kept up the same even stroke from start to finish, and won easily. Time, 2:55.

The rain cut short the programme, and the people hastily went on board the steamer. A second canoe race and the inter-club doubles consequently did not take place. Altogether, it was a triumphant day for London sportsmen.

After the regatta the London oarsmen entertained their visitors to a banquet at the Tecumseh House. Speeches were made, and Mr. A. D. Huff, captain of the London Rowing Club, presented the victors with their medals. The visitors were also driven to the points of interest in the city.

LAWN BOWLING.

THE LONDON TOURNAMENT.

London will be the scene today of the first bowling tournament of the Western Ontario Association. Over 100 visiting bowlers, representing at least 26 teams, are expected. The tournament starts this morning on the London Rowing Club's grounds over the river. The drawings for the Labatt trophy competition were made on Saturday, as follows:

PRINTERS VS. HYMAN'S.

On Saturday afternoon, at Wolseley Barracks grounds, the Printers and Hyman's baseball clubs played a very close and exciting game. The Printers took the lead in the third and held it until the sixth, when a wild throw allowed their opponents to score two runs, which tied the score. The game was then called on account of rain. The score:

	R.	H.	E.
Printers	8	9	4
Hyman's	8	6	7

GUELPH WINS AT HOME.

The Guelphs seem to have a pretty sure thing of the Canadian pennant. Hamilton lost its chance to almost even things up at Guelph on Saturday and will now have to win every game to beat out the Leafs. The score was:

	R.	H.	E.
Guelph	4	10	2
Hamilton	2	5	1

Batteries—Bradford and Roberts; McGemwell and Baker.

The game was called at the end of the seventh to allow the Hams to catch the train. The standing now is:

Hamilton	16	15	.550
London..	14	17	.452

BEATEN BY THE BROWNS.

The Arlingtons were again beaten by the Y. M. C. A. Browns of St. Thomas in a brilliant game at Tecumseh Park Saturday afternoon. The playing of both teams was worthy of professionals. Both Barron and Handley pitched splendidly, but the Browns had better luck. The score:

Browns	0	0	0	0	1	0	0	2	0	—3
Arlingtons	0	0	0	0	1	0	0	0	0	—1

Batteries — Barron and Pinnell; Handley and Lyons.

SUNDAY GAMES.

Rochester, N. Y., Sept. 6.—Toronto took two games from the home team this afternoon. Rochester made a great rally in the first game, and but for poor judgment that held Dooley on third when he could have scored, would have tied the score in the ninth. FLYS

The Arlington Baseball Club play the Y. M. C. A. Browns at St. Thomas today.

Payne, of Brooklyn, now leads the league pitchers. Ehret is second.

Pitcher Yerrick, of Boston, has been given notice of his release.

Baltimore stands at the head of the league in team batting, with an average of .313, 10 points ahead of the next on the list, Cincinnati. In team fielding Baltimore is only sixth.

William the First, William the Second and William the Conqueror are the names that are given to the three leaders on the Chicago team—Everett, Dahlen and Lange, by enthusiastic admirers in the Windy City.

It is said that moons ago, when Ned Hanlon was a member of the Cleveland team, the management cast him off because he indulged in "baby play"—bunting sacrifices to advance a base-runner. Look at the success of the Baltimores since Hanlon began to manage the Orioles. And this same "baby play" is responsible for many a game won.

Lajoie has played sixteen games with the Phillies, in which he has made a batting average of .286, having scored 13 runs and made 22 base hits. He has accepted 133 chances without an error.

Delehanty is keeping up his average of two hits per game.

Roger Connor, of the Browns, is the most scientific boxer on the diamond. —Sporting News.

Howard Earle has been suspended indefinitely as manager of the Wilkesbarre club, and William Goeckle, the former first baseman of the Pennsylvania University team, has been signed to succeed him.

"We must all tilt our caps to Uncle Anson," says Billie McGunnigle. "You may laugh at this one, but it's a fact. Dr. Stucky, the president of our club, told me the other day that he would pay $7,000 cash and throw in a couple of good players in exchange for Uncle Anson. Why, he would be a valuable man in any club in the league with that sure batting eye of his and his knowledge of handling young players on the field. As a drawing card he would pull enough money to soon cover the amount of his purchase."

THE TURF.

OGDEN WON THE BIG HANDICAP.

New York, Sept. 6.—The fine card which had been provided for the last day of the racing at Sheepshead Bay drew a large attendance, and there was some of the best racing seen in a long time. The event of the day was the Great Eastern handicap, for 2-year-olds, over the futurity course. There was a delay of 25 minutes at the post owing to the bad actions of Ornament, and finally they got away well with the exception of Ogden, who was in a poor position, fully two lengths behind the field. In the first quarter the fast filly Sunny Slope shot in the lead with Voter, Typhoon II. and Bannock following, while Ornament was slowly dropping back, in spite of the urging of Simms, and Taral had brought Ogden up into the sixth place. As they swung into the straight for the last quarter the boys were all at work. Voter had now assumed the lead, passing Sunny Slope, who had had enough of it, while the westerner, Typhoon II., had taken second place, and Taral had brought Ogden up into fourth place. Down to the fifth furlong post they thundered in the drizzling rain, and now Typhoon II. was the leader, with Martin watching Voter, and riding with one hand, as if he was sure of the race. But he had not counted upon Ogden, who was coming along the rail under Taral's fierce urging like a whirlwind, and before Martin knew it the race was over and Ogden was the winner. Voter got the third place, and Ornament was fifth. It was a fine victory in fast time and well run from a very bad start. Summaries:

First race, selling, 5 furlongs—Scarf 1, Don Blas 2, Hi Daddy 3. Time, 1:01.

Second race, 1 1-2 miles on turf—Keenan 1, Marietta 2, Damien 3. Time, 2:37.

Third race, Great Eastern handicap, futurity course—Ogden 1, Typhoon II. 2, Voter 3. Time, 1:10. George Rose, Ornament, Sunny Slope The Friar, Box, Salmak and Bannock also ran.

Fourth race, selling, 5 furlongs—Religion 1, Waltzer 2, Titmouse 3. Time, 1:03.

Fifth race, mile and a furlong—Connoisseur 1, Lake Shore 2, Buck Massie 3. Time, 1:57 1-5.

Sixth race, selling, 1 mile—Harry Reed 1, Sir Francis 2, Chugnut 3. Time, 1:44 1-5.

Seventh race, handicap steeplechase, full course—St. Anthony 1, Lion Heart 2, Winship 3. Time, 5:45.

WINDSOR RACES.

Windsor, Sept. 6.—The rain came down in torrents while three races were being run here yesterday, and converted the track, which was fast during the first two races, into a sea of slush. Backers of favorites had a good day, as three of them won, the other events going to two well played second choices and an outsider in the betting. Summaries:

First race, purse $200; allowances, five-eighths mile—Onaretto won easily by two lengths; Spokena 2, Hesperia 3. Time, 1:01 1-2.

Second race, purse $200, maiden 2-year-olds, 5 1-2 furlongs—Kinney 1, Rockwood 2, Los Troncas 3. Time, 1:10.

Third race, purse $250, allowances, 7-8 mile—Lorrainia won easily by two lengths, Virgie Dixon 2, Lauretta 3. Time, 1:28 3-4.

Fourth race, purse $250, 2-year-olds, 5-8 mile—Wathen won easily by a length, Cannonade 2, Lady Juliet 3. Time, 1:03 3-4.

Fifth race, purse $200, selling, one mile—Pete Kitchen won easily by three lengths, Miss Perkins 2, Helen H. II. 3. Time, 1:46 1-4.

Sixth race, purse $200, selling, 5 1-2 furlongs—Loyal Prince won easily by three lengths, Coranella 2, Queen Albia 3. Time, 1:12.

ROBERT J. SOLD FOR A ROAD HORSE.

New York, Sept. 6.—Lewis C. Tewksbury, the Broadway banker, who owns Mascot, has bought from C. J. Hamlin the champion pacer, Robert J. The price is not stated, but it is known to be a fancy one, the millionaire breeder and trainer of Buffalo having declined to put a price on the star performer of his stable, without reserving the racing qualities of Robert J. for the remainder of the present campaign. His arrangement Mr. Tewksbury had to accede to, and he will not gain possession of the champion until after the big meeting at Lexington, Ky., next month. It is probable that the great horse will pace his last race at the Lexington meeting, his new owner having bought him to drive in the road in New York.

RACING IN ENGLAND.

Sandown Park, Sept. 6.—The Abbey stakes, 500 sovereigns, for 2-year-olds, five furlongs, was won by Mr. W. G. Marshall's bay filly Hazelberch. Mr. T. Corn's bay colt Battersea was second, and Mr. L. Brassey's chestnut filly St. Agnese third. Mr. P. Lorillard's bay gelding Glaring, by the Sailor Prince, out of Fash, started, but was not paced.

THE CLOSE AT CONEY ISLAND.

New York, Sept. 6.—The meeting of the Coney Island Jockey Club which ended yesterday continued thirteen days, during which 86 races were run, in which 289 horses competed for a total of $141,937. Marcus Daly headed the list, his horses having landed $48,440. J. E. Seagram comes 13th, twih $2,265 to his credit. J. P. Dawe's horses won $515.

ATHLETICS.

RECORDS SMASHED.

Pitlochry, Scotland, Sept. 6.—In the contest held here yesterday for the Caledonian athletic championship, between Gideon Perrie, a Canadian athlete, and the Scotchman, G. H. Johnstone, the former won, defeating Johnstone in four out of seven events. Two new records were established, Johnstone throwing the 20 pound hammer 92 feet 2 inches, and Perrie putting the 22 pound shot 37 feet 5 inches.

CRICKET.

THE INTERNATIONAL MATCH.

Cricket Grounds, Philadelphia, Sept. 6.—The international match yesterday afternoon on account of rain was postponed until 1:30 Monday. In the first inning the Canadians made 87, Philadelphians 52. The Canadians began their second inning and had scored 117 for nine wickets, Rykert 12, not out, and Dean 1, not out, when stumps were drawn.

THE WHEEL.

Manitoba Officials to Consult With the Premier on the School Question.

Support to the Government from Unexpected Quarters.

Ottawa, Sept. 6.—Prof. Craig, horticulturist of the Central Experimental Farm, has returned from a tour of inspection through the Niagara fruit-growing district, and looks upon the yield as the best in years.

A dispatch from Winnipeg says: It has been learned that Attorney-General Sifton, and perhaps Provincial Secretary Cameron, will leave for Ottawa to further consult with Mr. Laurier on the school question in a few days.

Premier Greenway, when seen, laughed at the Mail-Empire's story that Mr. Laurier would seek the Pope's sanction to the proposed school question settlement. He said the story was a sily fake.

There is considerabe interest in the fact that both Mr. John Ross Robertson and D'Alton McCarthy (Independent Conservatives) indorse the action of the new Government in obtaining Governor-General's warrants with which to pay the wages of Government employes until the estimates could be passed. Mr. McCarthy's speech was a conclusive legal argument. He said that the question naturally divided itself into two branches: First, the question of policy; second, the question of law. If these questions were considered separately there ought to be very little difficulty, if there be a legal power, in arriving at a satisfactory conclusion on the question of policy. He was not concerned with the action of the last Parliament, and he remarked incidentally that he had nothing to be ashamed of in any course he took last session of obstructing supply. It was an extraordinary proceeding on the part of the late Government to have the presumption to meet the House in January and not to ask for a vote for a month or two, but to take it for granted that on the eve of the dissolution the House was prepared to entrust it with supply for a whole year. He had never heard any appeal made to the House to grant a vote for anything less than the whole year. So that the statement upon which Mr. Foster had based his resolution was inaccurate, misleading and unfair. However, no estop could be put upon the Government by reason of what had been done last session. The new Government came into office on July 13, and it found that in two days large sums were due as wages, which claims could not have been dishonored without discredit to the country. Something had to be done. The Government could not repeat the humiliation and disgrace of last session when Dr. Sproule called attention to the fact that the country was unable to pay its charwoman. No one questioned the authority of Parliament to control supply. Canada, above all English-speaking colonies, had given to the executive the power to resort to Governor-General's warrants. Sir Oliver had interpreted the act of Parliament according to its literal meaning. The words of the clause meant just exactly what Sir Oliver had said they meant. In the face of the legal opinion of Sir Oliver, and agreeing as he did with the policy, and being satisfied that act was right if it was legal, he did not feel that he could take the responsibility of censuring the Government.

A DEEP MYSTERY.

Involving the Death of the Man Supposed to Have Been Angus McKelvie.

Toronto, Sept. 6.—It is now quite evident that the body found at North Bay is not that of Angus McKelvie. The body was found on July 18, but Mr. John McKelvie, the father, received a letter from his son, dated Aug. 3. Angus McKelvie, too, was an educated man, while letters found in the dead man's clothes showed him to be almost illiterate. The sizes of the two men do not correspond, either. It is quite possible that Angus McKelvie, who started on a prospecting tour, might be far back in the woods, and no word would be heard from him for months. The application for a re-investigation of the case was accordingly withdrawn and no action will be taken by the Attorney-General's department unless there are some new developments.

Angus McKelvie, son of Mr. John McKelvie, of Durham, Ont., was believed to have been murdered for his money in the Northern Ontario bush and his body thrown into a river to cover the crime. The Deputy Attorney-General had produced before him papers which show that McKelvie was still alive, but, if he is alive, whose body was buried in the belief that it was McKelvie's? The circumstances surrounding the death of the man found boating near North Bay are enshrouded in deep mystery.

He cannot live, owing to the shock and loss of blood. The lad carelessly stood in front of the mower and could not escape when the team became frightened.
