Fitzgerald, Scandrett & Co., 169 DUNDAS STREET. of the heather is decorating the whole wide world—so far as she can see. There is a splendid majesty about the somber glory of the autumn day.

king, In radiance attired,

Outlightening the summer, outsweet-ening the spring, Broods on the woodlands with limitless wing. A presence of all men desired."

Oh! how sweet it is up here with the salt spray casting its fragrance towards her, and the sun glistening and playing with the wayes, that seem so many years away down there. She pulls rein, and, letting Miss Jenkins Mr. Whitney's Plea That the Public fret a little, gazes thoughtfully at the sea. That great thing! How free it is, tossing this way and that at its own free will—so calm, so solemn, so entirely without care! If you had told her at this moment that there were such rude tyrants as tides to hold this such rude tyrants as tides to hold this emingly free ocean in check, and that there was even a moon to check he tides, it might perhaps have taken comething from her admiration of the ocean's freedom, and certainly would 044444444444444444 presently Nell finds herself singing:

> 'Oh, who will o'er the downs with me? Oh, who will with me ride? Oh, who will up and follow me, To win a blooming bride?"

Suddenly she bursts out laughing. blooming bride"? And "blooming"— how the word has lost its first fresh meaning? It sounds now like a costermonger's ditty addressed to his your g woman. But costermongers, a rule, don't run away with their young ladies on horseback—they content themselves with a wedding trip on "a bicycle built for two," if one can depend on those who attempt to explain their manners and little eccentricities. Miss Jenkins has now taken a small fence that stood in her way—a way that leads into the woods of "Strange," and the thread of Nell's thoughts is broken.

'My father, he has locked the door, "Nell-a moment."

My mother keeps the key,
"Yes, darling. Would you like me to But neither locks nor bars can keep My own true love from me!"

> What a terribly determined person! many a year yet—if at all. No! mar-riage is a mistake! Poor Cissy's fail-pupils who pass the best examinations freshly-recurring grief.

> heroic turn, she finds herself looking qualifications of a careful teacher. An through the trees, evidently in mad the evil of an organized system.

September, all glorious with gold as a The Progress Which Has Been Made in Education in Ontario.

> Number and Cost of Examinations Have Been Lessened Under Mr. Ross.

School Studies Should Be Increased.

No High School Can Be Established Unless the County Council Decrees.

have displeased her. Presently Miss Jenkins, having protested over-much at the enforced delay, Nell continues her way across the downs, the mare breaking unforbidden into a light canter. It seems to set itself to music, and presently Nell finds herself singing:

At the mass meeting of the electors of Wellington county, held in Erin, on Monday afternoon. Hon. Geo. W. Ross, mished us with any proof of this neglect, or with any evidence that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deterioration. Has he furnished us with any proof of this neglect, or with any evidence that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Now, I deny even the implication that our public schools are deteriorating? Mr. Ross said: Mr. Whitney comtions in every school act in Ontario since the first act was passed in 180%. You will find such provision in the school laws of the United State. Great Britain and all her colonies, as well as in France, Germany, and even Russia. If you employ a teacher you require some evidence as to has usefulness. If you sond your children to school you want some guarantee of their progress. It is possible that teachers may work more for exmental development of the pupils, and ure is always before her. An ever have been the most carefully trained, and that the teacher who is not cap-She is in the "Strange" wood now, able of preparing rupils for these exand even as her thoughts take this aminations is wanting in some of the at Grant, who is riding towards her incidental evil is not conclusive as to Mr. Whitney complains that we have Now, part of her desire to enjoy this too many examinations. That may be,

Biffed voice, she says:

"Bring Geoff to me."

Nell, running into the nursery, lifts thappy dreaming, and gives him, only half awake, into hi mother's arms.

"Mammy!" says he drowsily, but so thapply. It is one of his many treats to sleep with his "Mammy." Nell sees Cecilia's arms close round him, sees the almost convulsive clutchings to her eager kiss upon his pretty cheek, sees the almost convulsive clutchings to her of the loved little form—and, lowering the lamp, she steps lightly from the room. If anything can cure from the room. If anything can cure from the room. If anything can cure in the public school system deducation department conducted 27 different examinations for public schools, high schools and normal schools. I have been able to reduce his schools, high schools in domain able to reduce the seminations to twolve. Does the public schools in the public schools, high schools in the public schools. I have been able to reduce the examinations to twolve. Does the public schools in the public schools, high schools in the public schools against the government in the public school system to come over and see Cecilia today. One could easily know what that conducted 27 different examinations for public schools, high schools in normal schools. I have been able to reduce the examinations to twolve. Does the public schools with his schools in the prosperity of our high schools. I have been able to reduce the examinations to twolve. Does the public schools in the public schools in the public schools in the public schools. I have been able to reduce the examinations to twolve. Does the public schools in the public schools in the public schools in the public schools in the fift of the sex minutions of two reduce the public schools in the public schools. I have been able to reduce the public schools in the public schools in the schools. I have been able to reduce the public schools in the public schools in the public schools the fift of the public schools. I have been able to reduce the public school in the publ covering four additional years, by taking the entrance examination only, which in most cases costs nothing, and if he desires to enter the university of today are as high, and in some respects a good deal higher, than the qualifications of the second-class teachers twenty years ago.

of today are as high, and in some respects a good deal higher, than the qualifications of the second-class teachers twenty years ago. there he is, certainly, at all events!

Half-past eleven has struck, and Nell, stepping out into the corridor, meets Gaveston as he comes up the stairs. She lays her finger on her lips. Cecilia has had one of her headaches, she explains to him. She, Nell, had are asleep now. He must be careful not to disturb them.

Of course he will be careful. On tip-five to be he creeps to his wife's room, and, to be he creeps to his wife's room, and, the he distributed to such tests as are necessary to show the fattering unction to such tests as are necessary to show there is, at all events!

The Course of studies if he desires to enter the university by another examination for matriculation for scales costs nothing, and trying to keep a guilty by another examination for matriculation for scales costs nothing, and trying less articulation for matriculation for scales costs.

the management of the public schools, Whitney to produce a single witness lic schools are not relatively welcome. Taking up the question of public schools are in any sense deplains that the examinations conduct- contention. Let me give one or two supported as the high schools. He takes of good standing to sustain such a ed by the education department affects injuriously the work of the teacher and the preper education of the pupils. In every country in the world Perhaps it is the ozone that has got into her head, but certainly she has not pupils. In every country in the world examination is uniform, and is the felt so joyous for weeks as she does to-day. What a ridiculous glee! Were they all—all the followers—to win "the blooming bride"? And "blooming"— of efficiency is exacted by which to how the roughless that the roughless th judge of the value of the work done. Such a test is applied in some form or other to the luborer on the farm, to the housemaid in the kitchen, to the driver on the engine, to the municipal officer and even to a member of parliament. I know of no school system where such a test is not exacted. where such a test is not exacted, at the time I ceased to be inspector, which was 1877, not a single pupil went to public, separate, and poor schools received from the public treasury the form the public school of the public treasury the public school of the public treasure. up from the public schools of that division for the entrance examination. Doubtless had some of them gone they \$312,938, an increase of 74 per cent would have passed. How many do you suppose wrote in 1897? Two hunyou suppose wrote in 1897? Two hun-dred and seventy-one. Would any man to high schools, we find that in 1 say that the schools (f East Lambton they received \$69,986, and in from which so many wote in 1897, propose to pay them or have paid the had deteriorated? and yet if we are \$100,000, an increase of nearly 43 pc to believe Mr. Whitney's statements cent, while the number of pupils such is the case. Take another proof: creased 229 per cent. Is there discrimination there? Let me give Mr. Whitfourth form, and in 1895, 36,891 pupils, although the increase in the school population during that period was important achesic and for medial and propulation during that period was important achesic and for medial and perceptible. Still another proof: 936, or an increase of 70 per cent in taken a vote for \$447,978, an increase thirteen years. It these are evidences of 115 per cent. In the case of high of deterioration I would like to see schools, similar items cost in 1871 \$72, more of them as I understand the question. It simply means that the more bushels to the acre the farmer raises, the worse he farms, or the more first-class goods the manufacturer frums out the less worths of the public school population has been also acressed the manufacturer of turns out the less worths of the school population has been also acres the manufacturer of turns out the less worths of the school population has been also acres the manufacturer of turns out the less worths of the school population has been also acres t er turns out, the less worthy of confidence he is. Another proof that our double the increased grant to the hig Now, part of her desire to enjoy this exquisite day alone had arisen out of but is he prepared to point out what a determination to avoid "the coming particular examination should be public schools are deteriorating is to be found in the standing of the teachers employed. Twenty years ago there government in the public school system

leans over her and his child.

Such a lovely pair! The faces so alike—and one scarcely younger than the other. The child's arms are flung wide, in all the happy abandonment of childhood, but the mother's arms are fondly clasped around the little shape-ly body.

FALL OPENING OF

Millinery, Mantles and Dress Goods

On Tuesday, Sept. 28, and Following Days,

When we will show our entire importations for the fall trade in connection with these departments, each of which will show exclusive novelties from Paris, London and New York.

After our Re-opening Sale, which was a pronounced success, we're busy putting the finishing touches on the new building, and by Tuesday next we'll be in fine shape to show our new and exclusive styles in

Millinery, Mantles and Dress Goods.

This being our first Fall Opening everything we have to offer will be the very latest, with beauty and variety enough for every taste. We take special pride in these departments, and introduce them with emphasis, firm in the conviction that we lead in these particular branches.

The new Millinery and Mantle rooms are the largest and brightest in London, while the dress goods and silk departments are as bright as light can make them, and all thoroughly appointed and modern in every respect. You are invited to visit "London's Greatest Store" and the only departmental in the city,

Messrs. Amey and Hodgins will sell Hubbard's Famous American Perfumes at 29c per ounce, regular price being 75c, and Sachet Powder at 10c regular price being 25c. An accomplished pianist, will play selections from the latest American music, which will be sold at 5c a copy; usually sold at 50c. Bring your perfume bottles. The celebrated Bell Piano will be used on this occasion.
