THE GIFT OF YOUTH is the Greatest of All Gifts, and There

Is Work for Youth in the Church

Several hundred delegates were present at the formal opening of the Inter-Diocesan Conference of the Anglican Young People's Association in Cronyn Hall last night. The addresses of wel-come were to have been given by Mayor Beattle, Bishop Williams and Rev. latter.

In expressing pleasure at being able to welcome so large and representative a gathering of young people, Dr. Tucker referred to the general synod, which a few weeks previous had met in the same auditorium, attended by distinguished and leading churchmen from all Canada.
