Labor Wants Govt. Help In Solution of Unemployment

LONDON, Sept. 22.—(By Canadian Press.)—The Labor party has issued a manifesto declaring that unemployment is a national problem requiring a national policy. It asserts that the Government's scheme which places the main hunden upon local authorities is upon after examination of the goods. It main burden upon local authorities is upon after examination of the goods. It unjust, inadequate and indefensible and contends also that employers cannot that it must be abandoned in favor of expect to receive normal profits and that uch more generous assistance from the prices should cover the bare costs of

The minifesto suggests the stimulation The manifesto further proposes that of production by Government orders, by the Government should export wool, the establishment of national and local textiles and agricultural machinery to public works, by adequate grants to needy European countries on credit.
