Notice To Water Consumers

A recent House-to-House inspection carried out by the Waterworks Department resulted in the discovery that a large number of fixtures had been in- stalled and additions made to premises without proper report of same being made by either owner or plumber, and in violation of the bylaws of the Department.

The Department has thereby been deprived of a large amount of revenue to which it is justly entitled. Consumers are requested to advise the Commission of any alterations or additions made which will affect the Water Rates.

By order,
The Public Utilities Commission.

Don't Prod Your Liver to Action

NR Overcomes Biliousness, Constipation, Sick Headache, Quickly, No Griping or Pain. Guaranteed.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these organs is largely dependent upon the correct functioning of all the others.

"Whipping" your liver into action with calomel or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A bet- ter, safer plan is strengthening and toning the whole digestive and eliminat- ing system with Nature's Remedy (NR Tablets), which not only brings immediate relief, but genuine and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleansed and purified for once; stomach, liver and bowels working together in Vigor- ous harmony, and you will not have to take medicine every day—just take one NR Tablet occasionally to keep your system in good condition and al- ways feel your best. Remember it is easier and cheaper to keep well than it is to get well.

Get a 25c box and try it with the understanding that it must give you greater relief and benefit than any other laxative or cathartic you ever used or no pay. Nature's Remedy (NR Tablets) is sold, guaranteed, and recommended by your druggist.
