Fred Randolph, M. Meiss, and J. P. Matthews. They were met at the wharf by four teen members of the Vancouver Division under Capt. C. L. Behnsen and escorted to Pythian Hall. During the afternoon the visitors were driven around the park and to the chief places of interest in the city. The installation ceremony was conducted by Col. A. A. Richardson, of Nanaimo, Victoria and New Westminster. After the lodge proceedings, the visitors were entertained at a sumptuous banquet in the Dunn-Miller block. The new division will be known as Yancouver Division No. 4, U.R.K. of P., and will start with 42 members.
