A Big Sale of Footwear

Unusual Bargains for Friday and Saturday

The Greatest Footwear Sale of the Season starts Friday morning. The lot offered comprises men's, women's and children's footwear of the best grade. No matter what values we have offered previously, they will be eclipsed by the bargains offered this time. See big window display in Government Street windows.

Some of the Bargains for Men

For Men we offer about four hundred pairs of Boots, four hundred of the best footwear values that have been offered by us for a long time. Some of these boots are a high grade American make widely advertised and extensively sold. We are not permitted to mention the brand. If we were it is doubtful if we would be able to handle the crowds that would be on hand. However, not being able to mention the brand does not affect the quality, and it is hard to know when you will be able to get another chance like this one, when you can buy the highest grade footwear in some cases almost half-price.
