— Yes, the old adage is right, but if the liver is disordered and the blood becomes thereby corrupted, the bad "blood will tell" in diseases of the skin and threat in tumors and ulcers, and in tubercles in the lungs (first stages of consumption) even although the subject be descended in a straight line from Richard Cœur de Lion, or the noblest Roman of them all. For setting the liver in order no other medicine in the world equals Dr. Pierce's "Golden Medical Discovery." Try it, and your "blood will tell" the story of its wonderful efficacy.

LIONEL YORKE'S

For Liver Disorders

I have been using Ayer's Pills, in my family, for over three years, and find in them an effective remedy for Constipation and Indigestion. We are never without these Pills in the house. — Moses Grenier, 72 Hall st., Lowell, Mass.

Ayer's Cathartte Pills are the safest and best medicine I ever used for Bowel Com-aint. I have never known them fall to cure this disorder. They have been culiarly effective, in my family, in all cases of Liver

And Stomach Troubles.

Ayer's Pills are prompt and mild in their action; they gently stimulate the liver, and always leave the bowels in a natural condition.—Philip Caldwell, Beverly, Mass.

After sixteen hours of intenses suffering with Bilions Colic, I took Ayer's Cathartic Pills. In half an hour the pain in my stomach and bowels subsided, and I quickly recovered.—R. S. Heathfield, 63 Chestnut st., Providence, R. I.

For nearly five years I was a confirmed dyspeptic. During the last three months of this time, my life was a burden to me. I had no appetite, became pale and emaciated, and was unable to work. I tried various remedies, but found no relief until I began taking Ayer's Pills. A few boxes of this medicine greatly improved my appetite, restored my liver and stomach to a healthy condition, and my food now digests perfectly.—Ernest Lewis, 43 Main st., Lewiston, N. Y.

Aver's Pills have cured a case of Chronic Dyspepsia, here, which resisted other remedies, and had become a very serious affiliction. The cure is remarkable, and has created a sensation in this locality.—S. K. Jones, M. D., Brighton, Mich.

For a number of years I was greatly troubled with Dyspepsia. I becames weak, nervous, had no appetite, and there were but rew kinds of food my stomach would bear. After taking a number of remedies, without obtaining relief, I began to use Ayer's Cathartic Pills, and, at the same time, commenced dieting. This treatment effected a complete cure.—Jeremiah W. Styles, Fort Madison, Iowa.
