The prospectus of this Company has just been issued, and can be had on application to the Manager, at the Company's office, 38 Toronto-street, Toronto.
The promoters secured their land and effected their arrangements for the establishment of factories before the recent rise in prices. In fact that rise has been caused chiefly by the knowledge that this land had been secured with the object of establishing a model manufacturing town.
To secure speedy development and interest the general public in the enterprise, it has been decided to offer one thousand shares of the capital stock for subscription at par, on reasonable terms of payment. The stock book will be opened on the 6th of March, 1890, and applications entered in the order of their receipt.
