

nambulism, mesmerism, hypnotism, etc., are but partial and ephemeral manifestations of a more general law which is easily understood and readily explained by the complete science and art of Psychotism.

Psychotherapy

Is the final triumph of the healing art, which has been throughout its whole history a distinctly evolutionary process. Every step in its progress has been marked by the intelligent employment of subtler forces and simpler methods. When Psychergy—than which no more subtle or potent force is under the control of man—is intelligently applied to the treatment of disease, Empiricism will have been replaced by Science in the domain of medical practice.

Psychotherapy teaches the true cause of disease, and the conditions of recovery and cure, and announces the basic law of healing.

Psychotherapy must not be confounded with the systems of Christian Science and Divine Science of healing. It is entirely and emphatically distinct from them and other similar mental systems in two respects: It is more advanced, exhaustive, and complete; and is based on the principles of Natural Science. It is, in brief, the unification and perfection of all other systems. Though we humbly and most reverently recognize the truth in whatever form or relation it may appear, we also as earnestly and positively shall endeavor to rid, the sacred practice of healing the sick, of the mysticism, sectarianism, and manifest absurdities, which are connected with these *Pseudo-sciences*. It must then, at the outset, be distinctly understood that in the teaching of Psychotherapy, natural (not so called christian or divine) science methods are followed, the phenomena of Physics, Chemistry, Biology and Psychology are viewed as *facts*, not as *delusions*, and the grand results of the observations and investigations in medical science are fully recognized and accepted.

In Psychotherapy therefore we shall expound and demonstrate, in the most impartial manner, a *New System* of healing, with its laws and fundamental principles so well defined, clearly en-
