

MORE GOOD NEWS.

Brother Sheppard, of Dorchester, in a letter just received, says—
 “ I am happy to inform you that our body here is enjoying the great blessings of union, harmony, and peace.—We have had seven additions to the church within the last six months.—We are striving to enlarge the field of our operations in the spread of the gospel. In addition to preaching in the West among our staunch co-operators, the Scotch Baptists, I now hold regular meetings in Sparta village, Temperanceville, and on Talbot Street, four miles from St. Thomas. From the attendance and attention at the meetings, we hope for great good.”

A PERTINENT REPLY.—A clergyman once travelling in a stage coach, was asked by one of the passengers if he thought that pious heathens would go to heaven. “ Sir,” answered the clergyman, “ I am not appointed judge of the world, and consequently cannot tell ; but if ever you get to heaven, you shall find them there, or a good reason why they are not.”

THE TURK AND THE JEW.—An influential Jew of Paris recently had an audience with the Sultan, who told him that all the privileges and immunities hitherto granted to the Christians, were to be extended to the Jews of Turkey, as he could not suffer the slightest difference to exist between the non-Mussulman subjects of his empire.

CONTEMPT OF THE POPE --The Pope of Rome recently excommunicated the President of the Republic of Honduras. When the bull was received in Honduras, the President summoned an immense concourse of people, after reading the document to them, rammed it into a cannon with his own hand; pointed the piece towards Rome, and fired it off.
