This remarkable statement to which we direct special attention, is from a Tennessee farmer. My age is 63, I suffered intensely from Catarrh 10 years. Had intense headache, took cold easily, had continual roaring and singing in my ears. My hearing began to fail, and for three years I was almost entirely deaf, and I continually grew worse. Everything I had tried, failed. In despair I commenced to use the Aerial Medication in 1888, and the effect of the first application was simply wonderful. In less than five minutes my hearing was fully restored, and has been perfect ever since, and in a few months was entirely cured of Catarrh. ELI BROWN, Jacksboro, Tenn.

"ST. AUGUSTINE" Sacramental Wine.

The REV. DR. COCHRANE writes:— BRANTFORD, May 23rd, 1895. Messrs. J. S. Hamilton & Co.

GENTLEMEN.—The St. Augustine Wine used in my own church on sacramental occasions, as well as in many other churches, I have always heard spoken of in the highest terms and is admirably suited for the purpose. Its deservedly high reputation for purity can be relied upon. The unfermented grape juice also commends itself to those who prefer that the wine should not be fermented and should have a large and increasing sale in our Presbytery and other Churches.

WAS A PATIENT In St. Joseph's Hospital, Hamilton, Ont.

The Doctors Said a Surgical Operation Was Necessary to Effect a Cure.

THE LADY LEFT HOSPITAL AND DOCTORS.

She Uses Paine's Celery Compound and is Cured.

Another wonderful, almost miraculous, cure to report. As usual, the afflicted one is saved by the use of Paine's Celery Compound.

Mrs. Annie Saunders, the cured lady, lives in Bracondale, a pleasant suburb of Toronto. Her sufferings from a trouble common to many women were terrible, and the wonder is that she now lives. To her, medical and hospital treatment proved of no avail. At a critical juncture, the doctors deemed an operation imperatively necessary.

Mrs. Saunders would not sanction the proposed operation; she decided to try a medicine that had cured thousands; she had faith in its wondrous powers to make her a new woman.

Paine's Celery Compound was her chosen agent; she used it, and thanks Providence for the happy change effected. She writes as follows regarding her cure:—

"It is with much pleasure that I testify to the value of your wonderful Paine's Celery Compound. I was a great sufferer from severe attacks of neuralgia in the left ovary. At times the attacks were so acute that I thought I would lose my reason.

"Several doctors treated me, and I was a patient in St. Joseph's Hospital, Hamilton. I obtained no relief from medical treatment. The doctors said unless I had the ovary taken away I could not be cured.

"Instead of submitting to the operation, I used Paine's Celery Compound, and I am thankful your valuable medicine cured me. I feel like a new woman, and I would like all sufferers to know just what this great medicine has done for me."

Peach Butter.—Four pounds fruit one pound sugar, one lemon; pare, stone and weigh the fruit, allowing sugar as above, Place the fruit in a preserving kettle and heat very slowly, allowing no water. When quite soft pass the peaches through a fine sieve, return the pulp to the fire, add the sugar and boil half an hour. Just before removing from the fire add the lemon juice. Put up same as jelly. Butters made of fruit are nice served with roast meats.

Spiced Plums.—Make a syrup, allowing one pound of sugar to each pound of fruit and a scanty pint of vinegar to every three pounds of sugar. To each peck of plums allow one tablespoonful each of ground cinnamon, cloves, mace and allspice. Prick each plum, add the spices to the syrup and pour the latter boiling hot over the fruit. Let the whole stand three days, then skim out the plums; boil down the syrup until quite thick and pour it hot over the plums. Set away in a stone jar.

TOMATO GOODIES.

Tomato Figs.—The small tomatoes should be used, and most people prefer the yellow ones. Take off the skins, lay them on plates and sprinkle sugar over them, dry in a warm oven; when thoroughly dry pack in stone jars with a layer of sugar between the tomatoes; when ready to use stew same as dried fruit.

With Mayonnaise.—The tomatoes should be put in the ice box in the morning to get cold; wipe dry, cut off the stem, and with a pointed knife make a cavity in the top, fill with mayonnaise dressing; set in ice box until ready to serve, then place three lettuce leaves on an individual salad dish and place one tomato in center of each dish. The lettuce should be kept in the ice box until ready to serve.

Tomato Sweetmeats.—Scald and peel small yellow tomatoes, weigh and pour over them same number of pounds of sugar, let them stand until next morning, then pour off the juice and cook in porcelain kettle until it is a thick syrup; add the tomatoes and cook until they are clear. If you have five pounds of fruit, slice three or four lemons, take out the seeds and add to the syrup before putting in the tomatoes; if a larger quantity of tomatoes, use more lemons.
