

CHICAGO MARKET.

GREAT BREAK IN ALL PRICES
AND ESPECIALLY IN THOSE OF
PORK—CHICAGO AND NEW YORK
VISIBLES SHOW INCREASES.

Chicago, July 31.

There was a uniform break in opening prices this morning, and in provisions it was a big break, the barrel of Sept. pork being 42 lower; Oct. pork 30 lower. In Lard the drop was from 8 to 10 cents, and in Short Ribs from 15 to 18 cents. The Wheats were $\frac{3}{4}$, $\frac{7}{8}$, $\frac{7}{8}$ lower; the Corns $\frac{1}{2}$, $\frac{3}{4}$, $\frac{1}{2}$ lower, and the Oats $\frac{1}{4}$, $\frac{1}{2}$, $\frac{1}{2}$ lower.

There were received to-day 28,000 hogs, 17,000 cattle, and 15,000 sheep.

Wheat, car lots 102, shipments 13,508; corn, car lots 681, shipments 421,212; oats, car lots 894, shipments 5,030.

Last week's primary receipts, 997,000; shipments, 631,708.

Last year's primary receipts, 709,650; shipments, 744,430.

Four ports' primary receipts, 383,422; shipments, 193,912.

Wheat on the Curb, 70 $\frac{1}{2}$; corn, 31.

Shipments at Liverpool, 6,800,000, with wheat selling 13-3 lower. The price was fluctuating, but has a downward tendency. Corn was also $\frac{1}{2}$ lower, market being dull and with very little demand. Wheat reports are very favorable still, the late rains in Kansas having secured the safety of the harvest there. India is shipping large supplies to Europe.

REPUBLIC.

The Republic Miner of July 22nd says:—
The Republic mine never before had so much rich ore in sight as it has now and was never before able to produce so much ore of high class. It could deliver to the mill 100 tons a day as easily as it does 30 tons a day as at present. Instead of paying \$35,000 a month as at present it could pay \$90,000 or \$100,000 a month with adequate milling facilities. This would mean over \$1,000,000 a year. This we expect to see done in less than an other year. Do the people of Republic camp, do the people of the state of Washington, realize what a source of wealth there is in this mine? And yet it is but one out of many here and in other camps of the reservation. Watch us grow. Keep your eye on this marvelous region and see grow up here another Colorado of wealth and industry.
