THE INDEPENDENT

The foremost religious paper of the United States
JOSUEH COOK

The INDEPENDENT seeks the patronage of the public on more grounds as follows:

- 1st. It is the largest weekly religious newspaper published in the world.
- 2d. It employs as contributors more able writers, at home and abroad, than any other weekly newspaper.
- 3d. It gives its readers a wider range of topics and more and fuller departments than they can find elsewhere in any journal.

The INDEPENDENT consists of 12 pages, neatly cut and pasted. It is printed from clear type (see stereotype) on the best paper, and hence, every issue is really printed with new type and on good paper, and mechanically it is unexcelled.

There is no question of prominence in religion, politics, science, education, finance, or any other department of human knowledge which THE INDEPENDENT does not discuss. It has regular departments devoted to Biblical Research, Missions, Religious Intelligence, Book Reviews, and Literary News; the Sunday School, Education, Science, Sanitary questions, Fine Arts, the movements of ministers, Personalities, News of the week, Financial and Commercial matters, including Weekly Prices, Current Market Reports, Cattle Market, Dry Goods Quotations, Flowers and Farming, and Insurance. In its religious department it gives news and statistics of all denominations of Christians everywhere in fullness, accuracy and comprehensiveness; this department is unequalled. Several pages of stories and poems adapted to Old and Young, are given every week, with a column of Puzzles.

From time to time sermons by eminent ministers are published. The current topics of the day are discussed in our editorial columns freely and vigorously. We are not afraid to state our opinions.

OUR NEW TERMS FOR 1881.

- One subscription one year, in advance \$ 1.00

These reduced prices (\$2 per annum in clubs of five or more) are very much lower than any of the other standard religious weeklies, though the paper is much larger and better as compared with them.

There are now 85 of these Machines in one Factory in Toronto, running from 1,200 to 1,500 stitches per minute. This is a test of durability no other Machine could stand.
