AND ILLUSTRATED BY THE 25ST ARTISTS

*** This Magazine has hitherto been issued under the fittle of "GOOD WORDS FOR THE 'OUNG'" To mark the important changes and improvements which have been introduced, it has been thought well to alter the name to the simpler and pitther one given above. Good Tithkos will address itself to the young of all ages, from the little beginner, who can just read a pit ture, to the big boys and girls who study at the desk or shout in the playground; and so onwards up to the veterans who, after all their leaning, turn to the children for a fresher wiscom, and after all their work, sit in the shady corner and play the old games over again in their heads, "GOOD THINGS' hopes, as a perfolicial, to have its margins well thumbed and dog-cared, and when the binder has rimmed shose and reads it fit for the library, the volume will try for a fixed place there in good company.
