

Correspondence.

The Correspondence Columns are open to all readers of the LADIES' PICTORIAL WEEKLY. Questions relating to fashions, etiquette, literature or any subject of interest to our readers can be sent in for reply. Address Correspondence Editor in care of this paper.

SAM.—If the young lady is living alone, and has no friends in town, you might ask a married lady you know to chaperone her, that is the only advice I can give you. As to taking her to church you certainly don't need a chaperone for that. Simply call for her, escort her to and from church, but do not go in her lodgings.

CARASPOSA.—A pretty present for your husband's birthday would be a tennis belt, a cool silk jacket, a pair of Turkish shoes, a lemonade set, or a nice hammock.

J. C. T.—I cannot give you the lady's private address, but if you will look in the directory you will soon find it. Yes, you have the husband's name correctly, and I am sure the name is to be found as I tell you.

UNA.—The legend of Una and the lion is well known, and your poetical account of it is not apt to be original nor interesting enough to be accepted and paid for.

TRAVELER.—There is, no doubt, many a chance for a young girl desiring to go to England—who is willing to work her way across. If you are a good sailor advertise, and you will probably get answers before long. I think ten dollars and the passage would be ample pay, for a week on the ocean, in fact more than you will be at all likely to get.

LITTLE MAID.—For your best dress get a soft cream china silk which you can have made with a shirred corselet and full guinpe. Have the sleeves loose above the elbows and tight below. For the black dress have a surah underdress and Irish lace over dress. The Irish lace has a knotted appearance, like crochet, and is very stylish. You should get surah quite good enough for 60 or 70 cents a yard. It is pretty wide.

BERTIE.—I don't think, if I were you, that I should write again, or take any notice of the remark made. It was probably more thoughtless than really unkind.

IN THE GLOAMING.—Because plenty of people do it, does not make it right. Anything unfeminine is objectionable even though not exactly wrong. Don't practice jokes on people. It is not good taste nor kind of you, and will surely make enemies. The song you enquire for can be had at A. & S. Nordheimer's, King street east, by writing for it and enclosing 50 cents.

GERTIE.—Thanks for answers to queries. I am almost sorry I recommended the face bleach to such an imprudent girl. Surely the maker knows best how it should be applied. If you don't follow directions don't complain if you don't get results.

MOTHER.—Soft lawn is the best, don't have any stiff or heavy embroideries. Have the robes fine, dainty and plain. It is no trouble to answer questions.

DEAR SIR.—I have been troubled for over a year with sick headache and sick stomach. Nothing did me any good until I tried B.B.B., which made a perfect cure before I had finished the first bottle. I recommend it as a safe cure for headache to all my friends.

DEAR SIR.—I have used Dr. Fowler's Extract of Wild Strawberry for summer complaints, and after a fair trial have proved it a sure cure both in my own case and others of the family.

THIS PREPARATION is unlike any other medicine before the public in its mode of action. It consists of PILLS, which cause the blood of any person taking them to absorb oxygen from the air with vast rapidity. Every intelligent person knows that this is the prime necessity of life and health. It is at once apparent in the light of this explanation that these Pills are a Natural Remedy. They create no habit, because they simply promote a natural and essential process. Once their mission is accomplished the BLOOD is BUILT UP and the BRAIN is thereby restored, so that healthy action of the whole system ensues, and it is no longer dependent on medicine. This explains the wide range of usefulness of these Pills, and how it is they cure many apparently unrelated diseases. All weakness or debility of the system, or of any particular organ, can be overcome in the manner indicated. These Pills, beginning at the very fountain-head of life, invigorate the blood, and through it every organ of the system. Disease is expelled, dormant energies are brought to new life by the most kind, because natural means; and the system is not loaded with a lot of exciting and irritating drugs.

In order to introduce our Inhalation - Treatment

We will cure cases of

* CATARRH *

Free of all charge. All that we ask in return is that each patient, when cured, will recommend the treatment to other sufferers. For free cure apply without delay. We have hundreds of testimonials from all parts of Canada. In no form of disease is the wonderful potency of Medical Inhalation better seen than in the treatment of Catarrh. By means of the

GERMICIDE INHALER

We send the proper medicinal agents directly to the seat of the disease, destroying in a short time all ulceration and inflammation. Under its influence the irritated surface is soothed and healed, and the discharge rapidly diminishes. This seems too good to be true, but true it is, as hundreds in all parts of Canada can testify. What more rational method can there be of reaching and healing the diseased air-passages than by the use of the proper medical and chemical substances inhaled into the cavities. Those who prefer to write to some of the patients who have been cured can correspond with the following: Rev. J. S. Norris (late of Toronto), now pastor of First Congregational Church, Parkersburg, Iowa; Mr. Douglass, conductor, 11 Ontario street, Toronto; Mr. T. Mills, 29 Christopher street, Toronto; Mr. W. Fever, surveyor, 500 Seaton street, Toronto; Mr. J. A. McNair, Schau, Ont. Enclose a three cent stamp for reply. In the past two years we have treated over 300 cases of Catarrh free of all charge. It has paid us well. Neighbor tells neighbor, and friend tells friend of our success. If you have Catarrh do not fail to call or write. Address:
