THE DEVELOPMENT OF ENGLISH LITERATURE AND LANGUAGE,

BY PROF. A. H. WELSH, M.A.

UNIVERSITY EDITION, COMPLETE IN 1 VOL., UNABRIDGED, \$3.50.

"Several months ago I introduced Welsh's English Literature as a text-book. I began with a high regard for the work, and that regard has constantly grown. The book is not a dry collection of dates and authors' names and works, nor is it a loosely continued narrative. It is a logical development of our great literature, expressed in language that would do credit to the pen of an Addison or an Irving. The characters are made to live and breathe and talk with us, until we come away with the feeling that we have been communing directly with the great masters of English thought.—W. E. Scarritt, Prof of Eng. Lit., University of Colorado.

"It is of unparalleled excellence."—A. U Thresher, Prof. of English Literature, Denison University, Ohio.

From Oliver Wendell Holmes—"The work cannot fail to be of great assistance as a guide to all who wish to be directed in their study of the literature of the English language."
