EXPORT CONTACT

Mr. Victor Kalashnik Owner

Trans-Global Marketing acts as the sole manufacturer's representative in the exportation of x-ray machinery and associated products in the global market place for a major Canadian manufacturer of x-ray equipment and components. The manufacturer serves the medical, chiropractic, and veterinary clinic market. They are the only Canadian x-ray manufacturer to serve the North America market in this way. They provide over 100 years of experience in the x-ray field amongst its senior employees. All products manufactured in their Ontario plant have C.S.A. approval which has been accepted as the equivalent to Underwriters Laboratories in most U.S.A. states. Customers are currently in the United States, Puerto Rico, India, Trinidad, Israel, South America and Italy.
