II. INCIDENTAL TAKING

1. Fisheries for non-anadromous fish shall be conducted in such times, areas and manners as to minimize the incidental taking of anadromous fish to the maximum extent practicable to reduce such incidental taking to insignificant levels.

2. When two or more Parties notify the Commission established under Article VIII that they believe a fishery is being conducted by nationals or vessels of a Party in the Convention Area contrary to this Annex, the Commission shall convene a special meeting to consider the matter as soon as possible. The Parties who have notified the Commission shall be responsible for presenting the information on which they based such notification. The Party whose nationals or vessels are conducting the fishery in question shall be responsible for demonstrating that the fishery is not being conducted contrary to this Annex. If the Commission decides that a satisfactory demonstration has not been made, the fishery shall be suspended until it is demonstrated that the fishery will be conducted consistent with this Annex.
