

5. Should a designated airline of Hungary provide a service to points behind its home country in connection with the route(s) specified above, public advertising or other forms of promotion by that airline in Canada or in third countries shall not employ the terms "single carrier" or "through service", and shall state that such service is by connecting flights, even when for operational reasons a single aircraft is used. The flight number assigned to the services between Hungary and Canada shall not be the same as that assigned to flights behind the home country of the airline performing the service.
