

CANADIAN POLICIES QUESTIONNAIRE

To: All CAABWA BRANCH CHAIRS

From: CAABWA-Canada

Date: MARCH 9, 2002

Pages: 7

As you know Canada is hosting the G8 Summit 2002 at Kanaraskis, Alberta.

CAABWA-Canada is preparing a policy paper that is intended to guide the policy discussions of the Canadian government at the summit. The paper will focus on the impact on African women resulting from existing policies. Conversely, the impact resulting from a lack of specific policies is also being considered.

All policies with foreign context including trade and development policies are being considered by the process.

The Questionnaire

We are requesting your participation in this survey to provide us with the perspective of African women themselves.

We recognize that you may not be specifically familiar with Canada's Africa policies. Your general input about Canadian policies or policies of other western countries towards Africa that you are aware of would be welcome.

Your participation is important. Please take the time to fill out the questionnaire.

PLEASE COMPLETE AND EMAIL THE COMPLETED QUESTIONNAIRE BY MARCH 9, 2002.

For clarifications, please email both CAABWA at caabwa@caabwa.org and Dorothee Sizanga, Vice-Chair at profcsizanga@syb.net.
