

- (d) elaborate, as appropriate, proposals for the Joint Committee regarding amendments to this Procedure, other than those referred to in subparagraph 2.2.1(b);
- (e) ensure that the Parties share a common understanding of this Procedure;
- (f) ensure that the Parties apply this Procedure in a consistent manner;
- (g) resolve any difference on technical issues arising out of the interpretation or the implementation of this Procedure, including differences that may arise in the determination of certification bases or the application of special conditions, exemptions and deviations;
- (h) organise, as appropriate, reciprocal participation by one Party in the other Party's internal standardisation or quality control system;
- (i) identify, where appropriate, focal points responsible for the certification of each Civil Aeronautical Product imported or exported between the Parties; and
- (j) develop effective means for cooperation, assistance and exchange of information regarding safety and environmental standards and certification systems to minimise to the maximum extent possible, differences between the Parties.

2.2.2. Should the Joint Sectorial Committee on Certification be unable to resolve differences in accordance with subparagraph 2.2.1(g), it shall report the issue to the Joint Committee and ensure the implementation of the decision reached by that Committee.
