● (4:50 p.m.)

Mr. Speaker: I declare the amendment lost. Is the House ready for the question on the main motion?

Mr. Nielsen: I rise on a point of order, Mr. Speaker. An hon. member on our side rose to speak but Your Honour did not see him.

Mr. Nesbitt: Mr. Speaker, it is almost time for private members hour. I was wondering if I might call it five o'clock.

Some hon. Members: Hear, hear.

Mr. Speaker: Order, please. I apologize that I have to interrupt the thunderous applause to bring to the attention of the House the fact that it is now five o'clock.

[Mr. Deputy Speaker.]

PROCEEDINGS ON ADJOURNMENT MOTION

SUBJECT MATTER OF QUESTIONS TO BE DEBATED

Mr. Speaker: It is my duty, pursuant to Standing Order 40, to inform the House that the questions to be raised tonight at the time of adjournment are as follows: the hon. member for Portneuf (Mr. Godin)—National Security—Presumed infiltration into Canada by American communist party; the hon. member for Hillsborough (Mr. Macquarrie)—Post Office—Suggested meeting with Letter Carriers Union to resolve alleged administrative confusion; the hon. member for Algoma (Mr. Foster)—Regional Economic Expansion—application by Falconbridge Nickel for grant—Alleged discrimination.

It being five o'clock, the House will now proceed to the consideration of private members business as listed on today's Order Paper, namely notices of motions (papers), private bills, public bills. As there are no private bills, the House will proceed directly to notices of motions (papers).

● (5:00 p.m.)

Mr. J. A. Jerome (Parliamentary Secretary to President of the Privy Council): Mr. Speaker, there are quite a number of notices of motions for the production of papers that precede the one we shall very likely be discussing. May I say that all those standing in the name of the hon. member for Vancouver-Kingsway (Mrs. MacInnis) are to stand today, as well as the two following it. If notice of motion No. 21, in the name of the hon. member for Winnipeg North (Mr. Orlikow) could be called, we shall proceed with it as agreed.

Mr. Speaker: Is this agreed?

Some hon. Members: Agreed.

Mr. Speaker: All the notices of motions referred to by the Parliamentary Secretary will stand, at the request of the government.

PRIVATE MEMBERS' MOTIONS FOR PAPERS

THE CANADIAN ECONOMY

REQUEST FOR COPIES OF SUBMISSIONS TO ECONOMIC COUNCIL ON CANADA'S COMPETITION POLICY

Mr. David Orlikow (Winnipeg North) moved:

That an Order of the House do issue for copies of the nearly forty submissions presented to the Economic Council of Canada for its review of Canada's competition policy, as referred to in the Council's report of July 1969 at page 4.

He said: Mr. Speaker, this country has had legislation which was designed to prohibit or at least control the ill effects of firms combining to avoid competition. The legislation, now more than 50 years old, has been singularly unsuccessful in achieving the purpose for which it
